

AGENDA ITEM

Meeting Name: Town Council Meeting

Meeting Date: September 24, 2025

Prepared By: Andrea Dobbins, Project Coordinator/Risk Manager

Item Title: Palm Beach County Interlocal Agreement- Internet and Phone Services

DISCUSSION:

Palm Beach County has been providing the Town with internet service via a fiber connection that they installed since 2011. In 2019, the County expanded their offerings to deliver the Town telephone services. The previous Interlocal Agreement has expired, and the County is updating the agreement. The terms remain the same with the length of the agreement is for one (1) year with four (4) automatic one (1) year renewals. The pricing remains the same from 2020 throughout the term (and renewal terms) of this new agreement.

RECOMMENDATIONS:

Staff recommends that the Council approve this Interlocal Agreement between the Town of Juno Beach and Palm Beach County for the shared use of the Palm Beach County Fiber Network and providing VoIP services.
