March 14, 2025

Mayor Peggy Wheeler
Vice-Mayor DD Halpern
Vice-Mayor Pro Tem Marianne Hosta
Councilmember John Callaghan
Councilmember Diana Davis

The Honorable Mayor, Town Council and Citizens:

State law requires that all general-purpose local governments publish a complete set of financial statements presented in conformity with U.S. Generally Accepted Accounting Principles (GAAP) and audited in accordance with U.S. generally accepted auditing standards and *Government Auditing Standards* by a firm of licensed certified public accountants. Pursuant to that requirement, we hereby issue the annual comprehensive financial report of the Town of Juno Beach for the fiscal year ended September 30, 2024.

This report consists of management's representations concerning the finances of the Town of Juno Beach. Consequently, management assumes full responsibility for the completeness and reliability of all of the information presented in this report. To provide a reasonable basis for making these representations, management of the Town of Juno Beach has established a comprehensive internal control framework that is designed both to protect the Town's assets from loss, theft, or misuse and to compile sufficient reliable information for the preparation of the Town of Juno Beach's financial statements in conformity with GAAP. Because the cost of internal controls should not outweigh their benefits, the Town of Juno Beach's comprehensive framework of internal controls has been designed to provide reasonable, rather than absolute, assurance that the financial statements will be free from material misstatement. As management, we assert that, to the best of our knowledge and belief, this financial report is complete and reliable in all material respects.

The Town of Juno Beach's financial statements have been audited by Mauldin & Jenkins, LLC., a firm of licensed certified public accountants. The goal of the independent audit was to provide reasonable assurance that the financial statements of the Town of Juno Beach for the fiscal year ended September 30, 2024 are free of material misstatement. The independent audit involved examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements; assessing the accounting principles used and significant estimates made by management; and evaluating the overall financial statement presentation. The independent auditor concluded, based upon the audit, that there was a reasonable basis for rendering an unmodified opinion that the Town of Juno Beach's financial statements for the fiscal year ended September 30, 2024 are fairly presented in conformity with GAAP. The independent auditor's report is presented as the first component of the financial section of this report.

The Town is required to provide a narrative introduction, overview, and analysis to accompany the basic financial statements in the form of Management's Discussion and Analysis (MD&A). This letter of transmittal is designed to complement the MD&A and should be read in conjunction with it. The Town's MD&A can be found on page 4 of this report.

Profile of the Government

The Town of Juno Beach was incorporated in 1953 and is located approximately 14 miles north of West Palm Beach, which is the county seat of Palm Beach County. The Town encompasses an area of 2.65 square miles. This special and unique Town is an island with the Intracoastal Waterway to the west, the Atlantic Ocean to the east, Jupiter Inlet to the north and Palm Beach Inlet to the south.

The Town has operated under the Council-Manager form of government since 1985. Policy-making and legislative authority are vested in a five member Town Council. The Council is elected on a non-partisan basis. Councilmembers serve three-year staggered terms. The Councilmembers are elected at large. Beginning with the 2024 election, the voters of the Town elect the Mayor, who will serve a two-year term. The Councilmembers will select a vice mayor and vice mayor pro-tem annually. The Town Council is responsible for among other things, passing ordinances, adopting the budget, appointing committees, and hiring both the Town Manager and Town Attorney. The Town Manager is responsible for carrying out the policies and ordinances of the Town Council, for overseeing the day-to-day operations of the government, and for appointing the heads of the various departments.

The Town of Juno Beach is empowered to levy a property tax on both real and personal properties located within its boundaries. It also is empowered by state statute to extend its corporate limits by annexation, which occurs periodically when deemed appropriate by the Town Council.

The Town provides general municipal services such as police protection, planning, zoning and building, code enforcement, parks, public works, stormwater utilities and cultural events. Fire protection and emergency medical services are provided by Palm Beach County. Utility services, such as water and wastewater are provided by neighboring jurisdictions including the Town of Jupiter, Loxahatchee River District and Seacoast Utility Authority. Sanitation collection services are currently contracted with Waste Management, Inc. until September 2027. The Town contracts with Diversified Building Department Management Corporation for building official, plan review and inspection services for our building and permitting department needs through September 2026, with an option to renew for one additional two-year term.

The annual budget serves as the foundation for the Town of Juno Beach's financial planning and control. The Town of Juno Beach's budget process begins in May with staff meetings between the Town Manager and Department Directors to review budget philosophy and develop overall goals and objectives. The Town Council is required to hold public hearings on the proposed budget and must adopt a final budget as required by the Florida Property Tax Truth in Millage (TRIM) Process. Changes or amendments to the total budgeted expenditures of the Town or total departmental expenditures must be approved by the Town Council; however, changes within a department, which do not affect the total departmental expenditures, may be approved by the Town Manager. Accordingly, the legal level of control is at the department level. The budgetary process is very valuable in communicating with the Town Council and citizens of the Town.

Town-Wide Amenities: The Town has many special features that contribute to its wonderful quality of life. The following is a list of some of these special features:

Beach

The Town has 2.4 miles of wonderful beaches along a spectacular blue ocean. Eleven (seven Town owned) dune walkovers provide beach access for the public that include a variety of structures, showers, parking, gazebo and chickee huts among other amenities.

Juno Beach Pier

The Town has a County owned and operated 990-foot pier at its northern edge. It is visited and enjoyed by sightseers and fishermen from all over.

Loggerhead Marineline Center/ Turtle Nesting	The Town's coastline is one of the highest density nesting areas for sea turtles in the world. The Loggerhead Marineline Center (LMC), a not-for-profit organization, monitors the nests and is dedicated to promoting the conservation of Florida's coastal ecosystem through education, research and rehabilitation with a special focus on threatened and endangered sea turtles. The LMC is located in the County owned Loggerhead Park.
Environmentally Sensitive Lands	Approximately 594 acres of land or 43% of the Town's total land area has been purchased by the County for preservation. The County has installed trails throughout these parcels, known as the Juno Dunes Natural Area, to serve as a beautiful nature walk and to educate the public about the importance of preservation. Additional improvements include a light vessel boat dock, erosion control and other amenities along the intracoastal waterway.
Town Parks	Pelican Lake Park includes a 12-acre lake adjacent to the Town Center Property with lush landscaping and a ¼ mile – 8 feet wide public concrete and paver brick sidewalk, covered gazebos and fountains is the setting for Town events and leisure strolls. South of Pelican Lake the Town owns and operates Kagan Park, which has playground equipment, bocci, basketball, and adult exercise stations. Town Hall Park is our newest park completed in 2018; it is the site of the Town's first Town Hall from 1961-1991. The park includes a gazebo, sidewalk, paver bricks, seating and lush landscape.
County Parks in Town	The Town benefits from two beach-front County parks. Loggerhead Park has covered picnic areas and a playground and houses the Loggerhead Marineline Center. Juno Beach Park, at the northern edge of Town, serves as a large parking lot for beach goers and the County owned and operated pier.
Cultural Resources	The Town hosts and takes part in many cultural activities. Many local history, art and civic organizations utilize the Town's resources for their activities. The "Juno Beach Historical Society" collects items linked to the history of the Town, preserves them for future generations, and shares this history with the public. The "Friends of the Arts" organizes art shows for local artists; artwork is displayed year-round in the Town Center Council Chambers. "Artfest by the Sea in Juno Beach," which draws some 30,000 visitors is held along A1A and the Ocean at the north end of Town.
Diverse Housing	The Town has assisted living facility units, mobile home parks, townhouses, condominium units and single-family homes with values in excess of several million dollars.
Seminole Golf Club	A prestigious private oceanfront golf course designed by Donald Ross and opened in 1929.
Town Center	This complex was designed to house all of the Town's government operational needs and also function as a cultural center to facilitate social activities, host events and serve as a meeting place for homeowners associations, businesses, social groups, etc.

Local Economy

Juno Beach is a seasonal, residential community with a permanent population of approximately 3,871. With over 3,000 residential units, the Town's population, supports the notion that more property owners are choosing Juno Beach as their seasonal residence as opposed to their permanent residence. During the seasonal months (November through April) the population of the Town increases dramatically, nearly tripling. This influx of residents also brings an increase in tourists that seek the wonderful temperate climate that is south Florida. Neighboring cities and towns also experience significant increases in resident and tourist traffic during the winter and early spring months which help support many local businesses. The Town and surrounding communities generally experience a stable economy and real estate market. The Town benefits from the County's persuasion and initiative to foster job creation by targeting the industries of biotechnical science and aerospace engineering. The Scripps Research Institute and bioscience industry spin-offs have materialized with the addition of the Max Planck Florida Institute to the life sciences cluster at the expanding Florida Atlantic University campus which is located west of town in the Town of Jupiter. This diversification of the local economy in relation to its long-standing economic base of tourism, retail, healthcare and housing activities will positively influence the Town for the coming years.

The Town had the following projects that were completed during 2023/2024:

- Several new single-family homes throughout Town
- 8 new villas for The Waterford assisted living facility
- Remodel of the Seminole Golf Club House

The Town had the following projects that were in progress or started during 2023/2024:

- Several new single-family homes throughout the Town
- The Waterford Campus Remodel
- Caretta – an infill mixed use project featuring 95 multi-family units, 13,978 sq ft of retail use, 2,000 sq ft of office space, 7,112 sq ft of restaurant space, and 2,5000 sq ft of outdoor dining space
- The Dunes at Juno Beach – 40 Townhouse project

Juno Beach is fortunate to have two major corporate headquarters located here:

NextEra Energy, Inc. (NEE), encompasses approximately one million square feet of office space at their Juno Beach headquarters, where over two thousand employees work at this location. NEE is ranked No. 1 in the electric and gas utilities industry in Fortune's 2023 list of "World's Most Admired Companies" and they are the parent company of Florida Power & Light Company (FPL) and NextEra Energy Resources, LLC (NEER). FPL serves more than 12 million people through approximately 5.8 million customer accounts in Florida and is one of the largest rate-regulated electric utilities in the United States. NEER, which together with its affiliated entities, is the world's largest generator of renewable energy from the wind and sun and world leader in battery storage. It's strategic focus is centered on the development, construction and operation of long-term contracted assets throughout the U.S. and Canada.

Document Storage Systems (DSS), Inc. was founded in 1991 and is an internationally recognized health information technology (HIT) company headquartered in Juno Beach. DSS specializes in the integration, development and innovation of healthcare technology to promote interoperable information exchange throughout the industry. The company serves both federal and commercial spaces, with a heavy focus on serving the Veterans Health Administration (VHA). DSS acquired Sage Health Management Solutions (Sage HMS) in 2007 and Informatix Laboratories Corporation (ILC) in 2009. Sage HMS is the developer of RadWise, a radiology decision support system. ILC specializes in billing and accounts receivables software for Native American healthcare facilities.

Future Economic Outlook

In the Town's near future, we face the loss of a voter approved sales tax revenue that helps to fund many capital projects. Combine that with constant attempts at legislative changes to revenue opportunities like increased homestead exemptions, reduction in business tax, revamping of short-term rental fees and Juno Beach could see revenue short falls in the future. Florida's employment and sales tax receipts are increasing, tourism is improving, and the overall Florida housing sector is in demand. With the influx of new residents moving to Florida, rents and home sale prices have increased significantly. Approximately 60,000 new residents moved to Florida in 2024 with the coastal communities being in the highest demand, which makes Juno Beach a desirable place to live.

The Town of Juno Beach's property values have increased thirteen years in a row, including the 2024 fiscal year. The Town's residential values and sales are strong. The Town is experiencing some new residential construction and commercial properties are stable. Building permit activity is increasing with new development. The Town's ocean views are beautiful with healthy beaches. Our weather is very pleasant and our density and traffic, although increasing, are not too demanding.

Major Initiatives

The Town is coordinating with Palm Beach County Engineering to resurface Ocean Drive from US Highway 1 to Donald Ross Road and improve drainage from S. Juno Lane to just north of N. Lyra Circle. The enhancements to the stormwater drainage system along Ocean Drive include additional catch basins and drainage pipe. The project will also create two new littoral shelves in Pelican Lake to improve the overall water quality of the lake. The County is expecting to complete this project in 2026.

The Town of Juno Beach was a recipient of a grant to help with the improvements to the aging stormwater conveyance system on Universe Boulevard. The State of Florida has awarded the Town of Juno Beach a grant of \$1,050,000 to be used towards this mitigation project. The Town funded the balance of the project to replace the deteriorated infrastructure. The drainage system which services the properties on Universe Boulevard conveys stormwater runoff through a 45-year-old corrugated metal pipe which outfalls into the Intracoastal Waterway. The \$2.8M project was completed in January 2024.

The Town was awarded a Florida Recreation Development Assistance Program (FRDAP) grant in the amount of \$50,000. The award was used to upgrade and replace the adult exercise equipment in Kagan Park. Over the years, the Town has been the recipient of several FRDAP grants and has made improvements to Kagan Park, gazebos, dune walkovers, Pelican Lake Park and many other amenities throughout Juno Beach. This project was completed in December 2023.

The Town was awarded another Florida Recreation Development Assistance Program (FRDAP) grant in July 2024 in the amount of \$150,000 to renovate a newly acquired beach access site at Donald Ross Road. This grant will renovate the existing structure by replacing it and extending it westward towards Ocean Drive. Additional funding from the Town will address the drainage and erosion concerns at this location. \$100,000 has been designated to cover this element of the project.

The Town has received a Resilient Florida grant to improve stormwater along Celestial Way. This roadway was known for flooding during heavy storm events. This project created new swales and installed pervious pavers to manage the stormwater and further remove water from the roadway. This project cost \$250,000 with 50% being funded by the grant and the remainder coming from the Town. This project was completed in September 2024.

In March 2024, the Town of Juno Beach and the State of Florida entered into a grant agreement to create a Comprehensive Vulnerability Assessment. This funding from the Resilient Florida grant provides \$224,999 to create a Vulnerability Assessment Plan specific to Juno Beach. This is a 15-month project and will be completed in January 2026. An environmental consultant has been hired by the Town to write this comprehensive plan.

The Town renovated the public restroom facilities in the Town Center. New water saving fixtures were installed along with commercial grade flooring. This project was completed in summer 2024.

The Town's Police Department achieved State Accreditation status in February 2023.

The Town's Police Department is fortunate to receive funding for various initiatives from the Juno Beach Police Foundation. The organization was established in 2018 and is comprised of community members that work towards funding equipment, training and technology in support of the police department's mission to continuously provide enhanced safety and quality of life for the Juno Beach Community. By providing this assistance, the Juno Beach community is promoting a joint effort with the Police Department to help keep Juno Beach one of the safest towns in Florida.

On November 8, 2016, the voters of Palm Beach County approved a one-cent sales surtax. The approval effectively raised the sales tax from 6 cents to 7 cents on the dollar, giving the county government, its public schools and municipal governments funding intended primarily for repairing infrastructure and public facilities, and purchasing capital equipment needs. The surtax commenced on January 1, 2017, and automatically sunsets on December 31, 2026, unless sunsetted earlier because the intended funds are achieved sooner. The Town has received \$2,234,377 in Surtax revenue through fiscal year 2024. The Town's completed and proposed projects are identified below.

Completed Surtax Projects:

- Building and facility improvements include: The second-floor library area of the Town Center was renovated. The improvements included removing walls and opening up the area to better utilize the space and accommodate larger gatherings. New and additional bookshelves were installed, along with cabinets and other furnishings, a large smart television to aid in presentations was added. The Town Center's north parking lot storage building included attic storage, insulation, and climate control improvements to provide more effective use of the space. Automation of the Town Center's front door provides easier access for the community.
- All of the Town's dune walkover structures have been renovated over the years to enhance the accessibility for residents and visitors. Funding has been through Surtax, or in conjunction with State of Florida FRDAP grants. The improvements include seating areas, aluminum handrails and they are constructed with composite lumber to provide many years of longevity and enjoyment for the community.
- The Town has completed multiple park improvements. The Kagan Park playground area had improvements to drainage and installation of new surface material in the play structure fall zones. Town Hall Park, the Town's newest park, was the recipient of new landscaping, a park sign, and an additional sidewalk that includes engravable paver bricks so residents and visitors can make their "mark in the park." Pelican Lake Park received a new granite fountain to replace an aged fountain. The beautiful three-tier fountain will adorn the lakeside park for many years.
- Various police and public works vehicles were purchased by the Town to enhance and improve the fleet.

Proposed Surtax Projects:

- The Town has budgeted multiple projects for the 20243-20245 fiscal year. Projects include Pelican Lake Littoral Shelf. Littoral Zones are crucial components of healthy ecosystems, a primary function of a planted littoral zone is to absorb pollutants from water that ultimately drain into our canals and rivers, particularly water generated from storms. Littoral zone vegetation also prevents shoreline erosion and supports wildlife. Kagan Park playground equipment replacement, Celestial Way Stormwater Improvements, Police vehicles and Atlantic Boulevard sidewalks are also included.

Relevant Financial Policies

The establishment of financial policies is an important part of prudent financial management. The Town maintains various financial policies within which it operates to reduce ambiguity and guide the creation, maintenance and use of resources for financial consistency and stability.

Long-term Financial Planning: The Town's unassigned fund balance policy is to maintain a minimum balance of 50% of the operating budget. This is mainly due to the small size of our budget, the high percentage of our budgeted revenues derived from property taxes, (about 50% excluding grants and non-cash revenues) and the location of our Town along the Atlantic Ocean. Reserve funds are intended to smooth out economic downturns, deal with unexpected situations, and purchase major capital items without incurring debt. The most important reason for adequate reserves for the Town of Juno Beach is the potential problems that could arise from the advent of a catastrophe such as a major hurricane. A major storm could substantially reduce the Town's tax base for several years and during this "rebuilding period" after a storm, demands for service will be substantially higher.

Reserves are also supplementing the budget with investment income. These investments are consistently outperforming the three-month U.S. Treasury Bill rate.

Cash management policies and practices: Cash temporarily idle during the year is invested in various instruments including certificates of deposit, money market accounts, Florida Prime fund and the Florida Municipal Investment Trust, which is administered by the Florida League of Cities. The average yield on all investments was 7.8 percent for the 12-month period ending September 30, 2024. The Town of Juno Beach's investment policy places first priority upon security of the investment and secondary priority on investment yield.

Debt administration: The Town currently has no outstanding long-term debt. The Town became debt-free as of April 1, 2013. The Town has no legal debt margin.

Risk management: Management and staff are committed to a comprehensive risk management program. Risk management topics, issues and incidents are consistently discussed at monthly staff meetings and quarterly safety committee meetings. The Town purchases insurance for property, general liability, automobile, and workers compensation coverage through the Florida League of Cities insurance programs. The Town's employee health insurance coverage as of January 1, 2024, is through Blue Cross and Blue Shield of Florida-Florida Blue. Insurance coverages are evaluated annually by management and adjusted as necessary to provide the most cost-effective protection for the Town.

Awards and Acknowledgements

Awards: The Government Finance Officers Association of the United States and Canada (GFOA) awarded a Certificate of Achievement for Excellence in Financial Reporting to the Town of Juno Beach for its Annual Comprehensive Financial Report for the fiscal year ended September 30, 2023. The Certificate of Achievement is a prestigious national award recognizing achievement of the highest standards for preparation of state and local government financial reports.

In order to be awarded a Certificate of Achievement, a government must publish an easily readable and efficiently organized annual comprehensive financial report, whose contents conform to program standards. Such an annual comprehensive financial report must satisfy both U.S. generally accepted accounting principles and applicable legal requirements.

A Certificate of Achievement is valid for a period of one year only. The Town of Juno Beach has received a Certificate of Achievement for the last forty-three consecutive fiscal years. We believe our current report continues to conform to the Certificate of Achievement program requirements and we are submitting it to GFOA.

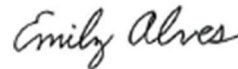

Acknowledgements: The preparation of this report on a timely basis could not have been accomplished without the cooperation and dedicated service of the entire staff of the Town and the efficient assistance of the independent auditors.

We wish to express our sincere appreciation to the members of the Town Council for their interest and support in conducting the financial operations of the Town in a sound and progressive manner, thus assuring the citizens a high level of financial stability.

Respectfully submitted,

INDEPENDENT AUDITOR'S REPORT

Honorable Mayor and Members of the Town Council
Town of Juno Beach, Florida

Report on the Audit of the Financial Statements

Opinions

We have audited the accompanying financial statements of the governmental activities and the major fund of the Town of Juno Beach, Florida (the "Town"), as of and for the year ended September 30, 2024, and the related notes to the financial statements, which collectively comprise the Town's basic financial statements as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities and the major fund of the Town as of September 30, 2024, and the respective changes in financial position for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Town and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Town's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Town's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Town's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis on pages 4 through 10, budgetary comparison on pages 51 and 52, the schedule of the Town's proportionate share of the net pension liability (FRS), schedule of Town contributions (FRS), the schedule of the Town's proportionate share of the net pension liability (HIS), schedule of Town contributions (HIS), and the schedule of changes in the Town's total OPEB liability on pages 54 through 58 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Information

Management is responsible for the other information included in the annual report. The other information comprises the introductory and statistical sections but does not include the basic financial statements and our auditor's report thereon. Our opinions on the basic financial statements do not cover the other information, and we do not express an opinion or any form of assurance thereon.

In connection with our audit of the basic financial statements, our responsibility is to read the other information and consider whether a material inconsistency exists between the other information and the basic financial statements, or the other information otherwise appears to be materially misstated. If, based on the work performed, we conclude that an uncorrected material misstatement of the other information exists, we are required to describe it in our report.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated March 11, 2025, on our consideration of the Town's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Town's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Town's internal control over financial reporting and compliance.

TOWN OF JUNO BEACH, FLORIDA

MANAGEMENT'S DISCUSSION AND ANALYSIS

As management of the Town of Juno Beach, we offer readers of the Town's financial statements this narrative overview and analysis of the financial activities of the Town of Juno Beach for the fiscal year ended September 30, 2024. We encourage readers to consider the information presented in the MD&A in conjunction with additional information that we have furnished in our letter of transmittal.

The information contained within this Management's Discussion and Analysis (MD&A) is only one component of the entire financial statement report. Readers should take time to read and evaluate all sections of the report, including the footnotes and the other Required Supplementary Information that is provided in addition to this MD&A.

FINANCIAL HIGHLIGHTS

- The assets plus deferred outflows of resources of the Town of Juno Beach exceeded its liabilities plus deferred inflows of resources at September 30, 2024, by \$16,174,048. Of this amount, unrestricted net position of \$4,274,572 may be used to meet the government's ongoing obligations to citizens and creditors.
- The total net position increased by \$2,597,066 (page 12).
- As of the close of the current fiscal year, the Town of Juno Beach's General Fund reported ending fund balance of \$12,252,029, an increase of \$271,797. Of this amount, \$6,319,129 is unassigned and available for spending and \$1,565,360 has been assigned for the subsequent year's budget. The remainder is either non-spendable or restricted.
- At the end of the current fiscal year, the unassigned and assigned fund balance (page 13) for the General Fund represented 81% of total General Fund expenditures (page 15) or 296 days of available funding.

OVERVIEW OF FINANCIAL STATEMENTS

This discussion and analysis is intended to serve as an introduction to the Town of Juno Beach's basic financial statements. The Town of Juno Beach's basic financial statements are comprised of three components: (1) government-wide financial statements, (2) fund financial statements, and (3) notes to the financial statements. This report also contains other supplementary information in addition to the basic financial statements themselves.

Government-Wide Financial Statements: The government-wide financial statements are designed to provide readers with a broad overview of the Town of Juno Beach's finances, in a manner similar to a private-sector business.

The statement of net position (page 11) presents information on all of the Town's assets plus deferred outflows of resources and liabilities plus deferred inflows of resources, with the difference between the two reported as net position. Over time, increases or decreases in net position may serve as a useful indicator of whether the financial position of the Town is improving or deteriorating.

The statement of activities (page 12) presents information showing how the government's net position changed during the most recent fiscal year. All changes in net position are reported as soon as the underlying event giving rise to the change occurs, regardless of the timing of related cash flows. Thus, revenues and expenses are reported in this statement for some items that will only result in cash flows in future fiscal periods.

TOWN OF JUNO BEACH, FLORIDA

MANAGEMENT'S DISCUSSION AND ANALYSIS

OVERVIEW OF FINANCIAL STATEMENTS (CONTINUED)

Both of the government-wide financial statements focus on functions of the Town that are principally supported by taxes and intergovernmental revenues (governmental activities), since the Town does not have any business-type activities. The governmental activities of the Town of Juno Beach include administrative, planning and zoning, public safety, and public works.

Fund Financial Statements: A fund is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. The Town, like other state and local governments, uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements. The Town of Juno Beach has one fund category: governmental funds.

Governmental Funds: *Governmental funds* are used to account for essentially the same functions reported as governmental activities in the government-wide financial statements. However, unlike the government-wide financial statements, governmental fund financial statements focus on near term inflows and outflows of spendable resources, as well as on balances of spendable resources available at the end of the fiscal year. Such information may be useful in evaluating a government's near-term financing requirements.

Because the focus of governmental funds is narrower than that of the government-wide financial statements, it is useful to compare the information presented for governmental funds with similar information presented for governmental activities in the government-wide financial statements. By doing so, readers may better understand the long-term impact of the government's near-term financing decisions. Both the governmental fund balance sheet and the governmental fund statement of revenues, expenditures, and changes in fund balances provide a reconciliation to facilitate this comparison between the two. The Town's only governmental fund is the General Fund. The governmental fund financial statements are presented on pages 13 through 16.

The Town of Juno Beach adopts an annual budget for its General Fund. A budgetary comparison schedule has been provided as required supplementary information for the General Fund (pages 51 through 53) to demonstrate compliance with the fiscal year 2024 budget.

Notes to the Financial Statements: The notes begin on page 17 and provide additional information that is essential to a full understanding of the data provided in the government-wide and fund financial statements.

Other Information: In addition to the basic financial statements and accompanying notes, this report also presents certain other required supplementary information. This includes the budgetary comparison for the General Fund referred to earlier in connection with governmental funds and various schedules of pension and other post-employment benefits information which is presented on pages 54 through 58.

TOWN OF JUNO BEACH, FLORIDA
MANAGEMENT'S DISCUSSION AND ANALYSIS

GOVERNMENT-WIDE FINANCIAL ANALYSIS

Net Position: The table below is a summary of the statement of net position at September 30, 2024 and 2023.

As noted earlier, net position may serve over time as a useful indicator of a government's financial position. At September 30, 2024, the Town's assets plus deferred outflows of resources exceeded liabilities plus deferred inflows of resources by \$16,174,048. The largest portion of the Town's net position (49%) reflects its investment in capital assets. Capital assets are used to provide services to citizens and they are not available for future spending. A portion of the net position, \$4,274,572 or 26%, represents resources that are subject to external restrictions on how they may be used. The remaining balance of unrestricted net position, \$4,015,317 or 25%, may be used to meet the government's ongoing obligations to citizens and creditors.

Statement of Net Position - Governmental Activities
September 30, 2024 and 2023

	2024	2023
ASSETS		
Current and other assets	\$ 12,614,185	\$ 12,913,103

TOWN OF JUNO BEACH, FLORIDA

MANAGEMENT’S DISCUSSION AND ANALYSIS

GOVERNMENT-WIDE FINANCIAL ANALYSIS (CONTINUED)

Change in Net Position: The table below is a comparative summary of the changes in net position for the fiscal years ended September 30, 2024 and 2023:

	2024	2023
REVENUES		
Program revenues		
Charges for services	\$ 1,700,760	\$ 3,018,403
Operating grants and contributions	-	-
Capital grants and contributions	383,817	909,637
General revenues		
Property taxes	3,977,596	3,391,240
Other taxes	1,281,501	1,149,752
Local one-cent sales tax	386,985	378,718
State shared revenue	595,060	610,400
Investment earnings	630,608	469,615
Miscellaneous	1,070,538	323,253
Total revenues	10,026,865	10,251,018
EXPENSES		
Administrative	1,489,054	1,684,861
Planning and zoning	1,612,076	1,780,139
Public safety	3,062,540	3,442,101
Public works	1,266,129	1,169,980
Total expenses	7,429,799	8,077,081
Change in net position	2,597,066	2,173,937
Net position, beginning of year	13,576,982	11,403,045
Net position, end of year	\$ 16,174,048	\$ 13,576,982

The Town’s net position increased by \$2,597,066 for 2024. Total revenues decreased approximately \$606,949 or 6% from the prior year which is mainly attributed to the following:

- A \$1,317,643 decreased in charges for services that is mainly attributable to an decrease in building related activities;
- A \$525,820 decrease in capital projects and contributions is mainly related to the timing of capital projects;
- A \$160,993 increase in investment earnings related to the rising interest rate environment.

TOWN OF JUNO BEACH, FLORIDA
MANAGEMENT'S DISCUSSION AND ANALYSIS

GOVERNMENT-WIDE FINANCIAL ANALYSIS (CONTINUED)

Expenses decreased approximately \$647,282 or 8%. The decrease in expenses is primarily due to the following:

- Building Permit Inspections with offsetting permit revenue.

FINANCIAL ANALYSIS OF THE GOVERNMENT'S FUNDS

As noted earlier, the Town of Juno Beach uses fund accounting to ensure and demonstrate compliance with finance related legal requirements.

Governmental Funds: The purpose of the Town's governmental fund financial statements is to provide information on near-term inflows, outflows, and balances of spendable resources. Such information is useful in assessing the Town's financing requirements. In particular, unassigned fund balance may serve as a useful measure of a government's net resources available for spending at the end of the fiscal year.

At September 30, 2024, the Town's General Fund reported ending fund balance of \$12,252,029, which was an increase of \$271,797 in comparison to the prior year. Of this amount, \$6,319,129 (52%) is unassigned fund balance, which is available for spending at the government's discretion. In addition, the Town Council has assigned \$1,565,360 to be used for subsequent year's expenditures. The remainder of fund balance is non-spendable (\$92,968) or restricted for specific purposes (\$4,274,572). As a measure of the General Fund's liquidity, it may be useful to compare both unassigned fund balance and total fund balance to total fund expenditures. Unassigned fund balance represents 65% of total General Fund expenditures, while total fund balance represents 125% of that same amount.

The fund balance of the Town's General Fund increased by \$271,797 during the current fiscal year. The key factors in this increase were a combination of higher than expected revenues from Investment earnings, and charges for services (Building permit fees carried forward), in addition to the deferral of purchases and projects to future budgets.

GENERAL FUND BUDGETARY HIGHLIGHTS

The annual General Fund budget is adopted after two public hearings and approval of the Town Council. Any amendments that would exceed the original budget at the fund level or would require funds to be transferred from contingency would require a formal budget amendment by an ordinance, two public hearings and approval by the Town Council. The original General Fund appropriation was amended during 2024 to cover the increase in building related activity. In addition, funds were transferred from an appropriated General Fund contingency account to department/program accounts in the budget to provide for unanticipated expenditures in accordance with Town Council authorizations.

TOWN OF JUNO BEACH, FLORIDA
MANAGEMENT'S DISCUSSION AND ANALYSIS

GENERAL FUND BUDGETARY HIGHLIGHTS (CONTINUED)

In comparing budget to actual revenues and expenditures on pages 51 and 52, the following variances are considered noteworthy:

- The Town's actual revenues of \$10,026,865 were \$1,887,435 over budgeted revenue. Licenses, permits and fees were over budget \$496,615, mainly related to building related activity; Investment earnings were over budget \$480,608, the increase was related to the rising interest rate environment; Grant revenues were under budget by \$114,376, primarily due to not receiving the awarding of funds.
- Administrative expenditures were \$487,822 under budget which was mainly attributed to contingency excess and lower professional fees.
- Planning and zoning expenditures were \$33,637 over budget which was mainly due to additional building service fees.
- Public safety expenditures were \$250,379 under budget which was mainly due to lower salary costs due to staff turnover.
- Public works expenditures were \$1,484,692 under budget which was mainly due to capital outlay related to ongoing projects and other improvements.

CAPITAL ASSETS AND DEBT

Capital Assets: The Town's investment in capital assets for its governmental activities at September 30, 2024 amounts to \$7,884,159 (net of accumulated depreciation). This investment in capital assets includes land, buildings, improvements other than buildings, equipment, vehicles and infrastructure.

Capital asset additions during the fiscal year totaled \$3,897,800 and included the following:

- Buildings and Improvements – The Town Center bathrooms were remodeled and the Veterans Day Monument was installed.
- Equipment and Vehicles – Various computer network hardware, software and workstation replacements and/or upgrades and equipment purchases were completed in several departments.
- Streets and Lighting – The Universe Boulevard stormwater infrastructure improvements were completed.

Additional information on the Town's capital assets can be found in Note 4 of this report.

Debt: The Town has no debt outstanding at September 30, 2024.

TOWN OF JUNO BEACH, FLORIDA
MANAGEMENT'S DISCUSSION AND ANALYSIS

ECONOMIC FACTORS AND NEXT YEAR'S BUDGETS AND OTHER EVENTS

For fiscal year 2025, the Town Council adopted a General Fund budget of \$10,785,377, representing a 6.3% decrease from the 2024 fiscal year budget. The primary decrease in the fiscal year 2025 budget is the reduction of the rollover funds.

The 2025 fiscal year budget improvement items include; stormwater improvements, various computer network hardware and software needs, patrol vehicles for the police department, various studies and several other smaller projects and improvements.

The Town has a relatively stable property tax base. Property taxes represent approximately 39% of the 2025 budgeted operating revenues of the Town. The balance of revenues comes from sales and use taxes, intergovernmental revenues, utility taxes, charges for Town services, licenses, permits, fines, reserves, grants, contributions, etc.

REQUESTS FOR INFORMATION

This financial report is designed to provide our citizens, taxpayers, customers, investors and creditors with a general overview of the Town's finances and to demonstrate the Town's accountability. Questions concerning information provided in this report or requests for additional financial information should be directed to the Finance Department, Town of Juno Beach, 340 Ocean Drive, Juno Beach, FL 33408, (561) 626-1122.

TOWN OF JUNO BEACH, FLORIDA
NOTES TO FINANCIAL STATEMENTS

NOTE 1. NATURE OF ORGANIZATION AND REPORTING ENTITY

The Town of Juno Beach, Florida (the “Town”), is a municipal corporation established on June 4, 1953. Pursuant to authority granted by the Florida Constitution and Florida Statutes Chapter 165, the Town enacted its current Charter by Town Ordinance No. 280, adopted on March 6, 1985, and approved by referendum on March 12, 1985. The Town is governed by a five-member, elected Town Council and provides a range of municipal services including police protection, planning and zoning, roads and streets, recreation and park facilities, public improvements and general administration functions.

As defined by U.S. generally accepted accounting principles (GAAP), the financial reporting entity consists of: (a) the primary government, (b) organizations for which the primary government is financially accountable, and (c) other organizations for which the primary government is not accountable, but for which the nature and significance of their relationship with the primary government are such that exclusion would cause the reporting entity’s financial statements to be misleading or incomplete. Component units are legally separate organizations for which the elected officials of the primary government are financially accountable. In addition, component units can be other organizations for which the nature and significance of their relationship with the primary government are such that exclusion would cause the reporting entity’s financial statements to be misleading or incomplete. Based upon the application of these criteria, the following discusses Seacoast Utility Authority (a jointly governed organization) as a potential component unit in defining the Town’s financial reporting entity:

Seacoast Utility Authority: The Seacoast Utility Authority (the “Authority”) was formed in August 1988. The Town signed an interlocal agreement with four other local governments to create the authority to provide water and sewer services to its residents. The Authority is governed by a five-member board with one representative from each participating local government. The Town is not financially accountable for the Authority and does not hold title to any of the Authority’s assets, nor does it have any right to the Authority’s surpluses or any ongoing financial interest and/or responsibility for the Authority. Accordingly, the Authority was not a component unit required to be included in the Town’s financial statements.

TOWN OF JUNO BEACH, FLORIDA
NOTES TO FINANCIAL STATEMENTS

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Government-Wide and Fund Financial Statements:

The government-wide financial statements consist of the statement of net position and the statement of activities and report information on all non-fiduciary activities of the Town. These statements include the general fund as the sole governmental fund to be accounted for as governmental activities. Such activities are normally supported by taxes and intergovernmental revenue. The Town does not have any business-type activities.

The statement of activities demonstrates the degree to which direct expenses of a given function or identifiable activity are offset by program revenue. Direct expenses are those that are clearly identifiable with a specific function or identifiable activity. Program revenues include three categories of transactions: (1) charges to customers or applicants who purchase, use or directly benefit from goods, services or privileges provided by a given function or segment; (2) operating grants and contributions; and, (3) capital grants and contributions. Taxes and other items not meeting the definition of program revenues are reported as general revenues.

Fund Financial Statements: The underlying accounting system of the Town is organized and operated on the basis of separate funds, each of which is considered to be a separate accounting entity. The operations of each fund are accounted for with a separate set of self-balancing accounts that comprise its assets, deferred outflows of resources, liabilities, deferred inflows of resources, fund equity, revenue and expenditures or expenses, as appropriate.

Governmental resources are allocated to and accounted for in individual funds based upon the purposes for which they are to be spent and the means by which spending activities are controlled. The fund used by the Town is classified into one category: governmental.

Governmental Fund Financial Statements: Governmental fund financial statements include a balance sheet and a statement of revenue, expenditures and changes in fund balance for the General Fund, the Town's only governmental fund. An accompanying schedule is presented to reconcile and explain the differences in fund balance and changes in fund balance as presented in these statements, to the net position and changes in net position presented in the government-wide financial statements. The Town's major governmental fund is as follows:

General Fund – this fund is used to account for all financial transactions not accounted for in another fund. Revenue is derived primarily from property taxes, state distributions, and other intergovernmental revenue.

TOWN OF JUNO BEACH, FLORIDA
NOTES TO FINANCIAL STATEMENTS

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Government-Wide and Fund Financial Statements (Continued):

Property Tax Calendar: Ad valorem property taxes are assessed on property valuations as of January 1st and levied the following October 1st. Taxes are due by March 31st and become delinquent on April 1st, when liens are filed against the subject property. Ad valorem taxes are assessed by the Palm Beach County Property Appraiser and collected by the Palm Beach County Tax Collector, which remits the taxes to the Town.

Property Tax Reform: During 2007, the Florida Legislature passed property tax reform legislation limiting the property tax levies of local governments in the State of Florida and increasing the homestead exemption. Local governments that adopt a property tax levy in excess of the limit under State law will lose their Half-Cent Sales Tax distribution from the State for the succeeding 12 months. For the fiscal year ending September 30, 2024, the maximum tax levy allowed by a majority vote of the governing body is generally based on a percentage adjustment applied to the prior year (2022/2023) property tax revenue.

The percentage adjustment is calculated based on the compound annual growth rate in the per capita property taxes levied for the five preceding fiscal years.

State law allows local governments to adopt a higher millage rate based on the following approval of the governing body: (1) a majority vote to adopt a rate equal to the adjusted current year “rolled-back” millage rate plus an adjustment for growth in per capita Florida personal income; (2) a two-thirds vote to adopt a rate equal to the adjusted current year “rolled-back” millage rate plus 10%; or (3) any millage rate approved by unanimous vote or referendum. For the fiscal year ended September 30, 2024, the Town adopted a 1.8195 millage rate (\$1.8195 per \$1,000 of assessed value). This millage rate resulted in a tax levy of \$3,977,596 for 2024, representing an increase of 13.0% from the property tax levy of \$3,520,196 in 2023. Future property tax growth is limited to the annual growth rate of per capita personal income plus the value of new construction. State Statutes permit municipalities to levy property taxes at a rate of up to 10 mills. Since Palm Beach County provides fire rescue services to the Town, the Palm Beach County Fire Rescue MSTU (municipal services taxing unit) taxes Town property owners 3.4581 mills. This millage rate is deducted from the Town’s legal millage rate limit of 10 mills, thereby limiting the 2023/2024 Town millage rate to 6.5419.

Measurement Focus and Basis of Accounting: The government-wide financial statements are reported using the economic resources measurement focus and the accrual basis of accounting. Revenue is recognized when earned and expenses are recognized when incurred, regardless of the timing of related cash flows. Property taxes are recognized as revenue in the year for which they are levied. Grants and similar items are recognized as revenue as soon as all eligibility requirements imposed by the provider have been met.

TOWN OF JUNO BEACH, FLORIDA
NOTES TO FINANCIAL STATEMENTS

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Government-Wide and Fund Financial Statements (Continued):

Measurement Focus and Basis of Accounting (Continued): Governmental fund financial statements are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Under the modified accrual basis of accounting, revenue is recognized in the period in which it becomes both measurable and available. Revenue is considered to be available when it is collectible within the current period or soon enough thereafter to pay liabilities of the current period. The Town considers revenue to be available if it is collected within 60 days of the end of the current fiscal year. Deferred revenue consists primarily of local business taxes collected in advance of the year to which they relate. Expenditures are generally recognized in the accounting period in which the fund liability is incurred, except for principal and interest on general long-term debt, which is recognized when due. Intergovernmental revenue, franchise fees, charges for services and investment income are all considered susceptible to accrual and so have been recognized as revenue in the current fiscal year. All other revenue items are considered to be measurable and available only when received in cash by the Town.

Assets, Liabilities and Net Position or Equity:

Cash and Cash Equivalents: Cash and cash equivalents consist of petty cash, checking accounts, and money market accounts.

Investments: Investments consist of participation in money market funds, external investment pools, and certificates of deposit. The fair value of the Town's investment in money market funds is based on the net asset value (NAV). Certificates of deposit are stated at cost plus accrued interest, which is fair value. The fair value of the Town's investment in the Florida Municipal Investment Trust external investment pool is based on the fair value of the underlying portfolio assets of the Trust.

The Town also invests in the Florida Prime fund, an external investment pool administered by the State of Florida, the Florida Public Assets for Liquidity Management (the "FL PALM") Portfolio, and the FL PALM Term Series. Under Governmental Accounting Standards Board (GASB) Statement No. 79, the Florida Prime fund and the FL PALM Portfolio use amortized cost for valuation of the pool shares and the fair value of the shares in the pool is the same as the Town's investment in the shares. The fair value of the Town's investment in the FL PALM Term Series is based on the net asset value (NAV).

Accounts Receivable: Accounts receivable represent amounts due from insurance, franchise and utility taxes, and charges for services. Receivables are not collateralized.

Prepaid Expenses/Items: Expenditures for various administrative expenses extending over more than one accounting period are accounted for as prepaid expenses/items under the consumption method and allocated between accounting periods.

TOWN OF JUNO BEACH, FLORIDA
NOTES TO FINANCIAL STATEMENTS

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Assets, Liabilities and Net Position or Equity (Continued):

Capital Assets: The Town has reported all capital assets, including infrastructure (roads, sidewalks, lighting and similar items), in the government-wide statement of net position. Capital assets are defined by the Town as assets with an initial, individual cost of more than \$5,000 and an estimated useful life in excess of one year. Capital assets are recorded at cost or, if donated, acquisition value at the date of donation. Expenses, which materially extend the useful life of existing assets, are capitalized. Certain costs for professional services associated with the acquisition and construction of capital assets have been capitalized. The cost of capital assets sold or retired is removed from the appropriate accounts and any resulting gain or loss is included in the change in net assets. Depreciation is computed using the straightline method over the estimated useful lives of all reported capital assets, except land. Estimated useful lives assigned to the various categories of assets are as follows:

	<u>Years</u>
Streets and lighting	20 - 30
Buildings and improvements	10 - 30
Equipment and vehicles	5 - 20

Compensated Absences: Accumulated unpaid annual leave amounts are accrued when earned. Benefits that were earned but not used during the current year were accrued at the employees' pay rate in effect at September 30, 2024. This accrual also includes salary related payments such as the Town's share of social security taxes and Medicare taxes, as well as the Town's pension plan contributions. A liability for these amounts is reported in governmental funds only if they have matured. The remainder of the liability is reported in the government-wide statement of net position.

Deferred Outflows/Inflows of Resources: In addition to assets and liabilities, the government-wide statement of net position and the General Fund balance sheet report a separate section for deferred outflows or deferred inflows of resources. The separate financial statement element, deferred outflows of resources, represents a consumption of net assets that applies to a future period(s) and so will not be recognized as an outflow of resources (expense/expenditure) until that time. The Town's deferred outflows of resources are related to its pension and other postemployment benefits obligations.

The separate financial statement element, deferred inflows of resources, represents an acquisition of net assets that applies to a future period(s) and so will not be recognized as an inflow of resources (revenues) until that time. The Town's deferred inflows are related to its pension and other post-employment benefit obligations, which are reported as deferred inflows of resources on the government-wide statement of net position.

TOWN OF JUNO BEACH, FLORIDA
NOTES TO FINANCIAL STATEMENTS

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Assets, Liabilities and Net Position or Equity (Continued):

Pension Benefits: For purposes of measuring the net pension liability, deferred outflows of resources and deferred inflows of resources related to pensions, and pension expense, information about the fiduciary net position of the Florida Retirement System Pension Plan (FRSP) and the Florida Retirement System Health Insurance Subsidy Program and additions to/deduction from the FRSP and HIS fiduciary net position have been determined on the same basis as they are reported by FRSP and HIS. For this purpose, benefit payments (including refunds of employee contributions) are recognized when due and payable in accordance with the benefit terms. Investments are reported at fair value.

Post-Employment Benefits: As required by Florida Statutes, the Town offers retired employees the option of participating in the health insurance plan provided to Town employees. Premiums for insurance coverage of retirees are paid by the retirees.

Net Position/Fund Balances: The government-wide financial statements utilize a net position presentation. Net position is categorized as follows:

Investment in Capital Assets – This component of net position consists of capital assets, net of accumulated depreciation and reduced by the outstanding balance of bonds, notes or other borrowings that are attributable to the acquisition, construction, or improvement of those assets, if any. If there are significant unspent related debt proceeds at year-end, the portion of the debt attributable to the unspent proceeds is not included in the calculation of net investment in capital assets. Rather, that portion of the debt is included in the same net position component as the unspent proceeds. At September 30, 2024, the Town had no outstanding debt.

Restricted – This component of net position consists of constraints placed on the use of net position by external restrictions imposed by creditors (such as through debt covenants), grantors, contributors, or laws or regulations of other governments or constraints imposed by law through constitutional provisions or enabling legislation. Of the Town's total net position, \$4,274,572 is restricted by laws and regulations.

Unrestricted – This component of net position consists of the net position that does not meet the definition of Investment in Capital Assets or Restricted.

Governmental Accounting Standards Board Statement No. 54, *Fund Balance Reporting and Governmental Fund Type Definitions*, establishes accounting and financial reporting requirements for all governmental funds and establishes criteria for classifying fund balance. Accordingly, the General Fund financial statements report fund equity classifications that comprise a hierarchy based primarily on the extent to which the Town is legally bound to honor the specific purposes for which amounts in fund balance may be spent.

TOWN OF JUNO BEACH, FLORIDA
NOTES TO FINANCIAL STATEMENTS

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Assets, Liabilities and Net Position or Equity (Continued):

The fund balance classifications are summarized as follows:

Non-spendable – Non-spendable fund balance includes amounts that cannot be spent because they are either: (a) not in spendable form, or (b) legally or contractually required to remain intact.

Restricted – Restricted fund balance includes amounts that are restricted to specific purposes either by: (a) constraints placed on the use of resources by creditors, grantors, contributors, or laws or regulations of other governments, or (b) imposed by law through constitutional provisions or through enabling legislation. Of the Town's total fund balance, \$4,274,572 is restricted by laws and regulations.

Committed – Committed fund balance includes amounts that can only be used for specific purposes pursuant to constraints imposed by the Town Council through an ordinance. Once adopted, the limitation imposed by the ordinance remains in place until a similar action is taken to remove or revise the limitation.

Assigned – Assigned fund balance is intended to be used by the Town for specific purposes but does not meet the criteria to be classified as committed. The Council has by resolution authorized Town management to assign fund balance. The Council may also assign fund balance as it does when appropriating fund balance to cover a gap between estimated revenue and appropriations in the subsequent year's budget. Normally, additional action does not have to be taken for the removal of assignments.

Unassigned – The General Fund reports a positive, unassigned fund balance that includes amounts that have not been restricted, committed or assigned to specific purposes.

Net Position Flow Assumption: Sometimes the Town will fund outlays for a particular purpose from both restricted and unrestricted resources. In order to calculate the amounts to report as restricted net position in the government-wide financial statements, a flow assumption must be made about the order in which the resources are considered to be applied. It is the Town's policy to consider restricted net position to have been used before unrestricted net position is applied.

Fund Balance Flow Assumption: Sometimes the Town will fund outlays for a particular purpose from both restricted and unrestricted resources (the total of committed, assigned, and unassigned fund balance). In order to calculate the amounts to report as restricted, committed, assigned, and unassigned fund balance in the General Fund financial statements a flow assumption must be made about the order in which the resources are considered to be applied. It is the Town's policy to consider restricted fund balance to have been used before using any of the components of unrestricted fund balance. Further, when the components of unrestricted fund balance can be used for the same purpose, committed fund balance is used first, followed by assigned fund balance. Unassigned fund balance is applied last.

TOWN OF JUNO BEACH, FLORIDA
NOTES TO FINANCIAL STATEMENTS

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Assets, Liabilities and Net Position or Equity (Continued):

Minimum Fund Balance Policy: The Town Council has adopted a formal minimum fund balance policy whereby the Town strives to maintain a minimum unassigned fund balance in the General Fund of 50% of the following year's budgeted expenditures less amounts funded by grants or committed fund balance. In the event that the unassigned fund balance exceeds the minimum amount, the excess may be utilized for any lawful purpose of the Town or for one-time costs including the establishment of or increase in commitments or assignments of fund balance.

Interfund Transactions: The only interfund transactions made during the year were transactions for services rendered. These transactions are recorded as revenue in the receiving fund and expenditures/expenses in the disbursing fund.

Risk Management: The Town is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; injuries to employees; and natural disasters. The Town purchases commercial insurance for the risks of losses to which it is exposed. Policy limits and deductibles are reviewed annually by management and established at amounts to provide reasonable protection from significant financial loss. There were no significant reductions in insurance coverage from the prior year. Insurance settlements have not exceeded the Town's coverage in any of the prior three fiscal years.

Grants: Amounts received or receivable from grantor agencies are subject to audit and adjustment by those agencies. Any disallowed claims, including amounts already received, might constitute a liability of the Town for the return of those funds.

Implementation of GASB Statements: The following GASB Statements were effective for the Town for the fiscal year ended September 30, 2024:

GASB Statement No. 100, *Accounting Changes and Error Corrections-an Amendment of GASB Statement No. 62*. This Statement prescribes the accounting and financial reporting for (1) each type of accounting change and (2) error corrections. This Statement requires that (a) changes in accounting principles and error corrections be reported retroactively by restating prior periods, (b) changes to or within the financial reporting entity be reported by adjusting beginning balances of the current period, and (c) changes in accounting estimates be reported prospectively by recognizing the change in the current period. The requirements of this Statement for changes in accounting principles apply to the implementation of a new pronouncement in absence of specific transition provisions in the new pronouncement. This Statement also requires that the aggregate amount of adjustments to and restatements of beginning net position, fund balance, or fund net position, as applicable, be displayed by reporting unit in the financial statements.

TOWN OF JUNO BEACH, FLORIDA
NOTES TO FINANCIAL STATEMENTS

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Assets, Liabilities and Net Position or Equity (Continued):

Recent Accounting Pronouncements: The GASB has issued the following statements effective in future years that may impact the Town. Management has not completed its analysis of the effects, if any, of these GASB statements on the financial statements of the Town.

GASB Statement No. 101, *Compensated Absences*. The unified recognition and measurement model in this statement will result in a liability for compensated absences that more appropriately reflects when a government incurs an obligation. In addition, the model can be applied consistently to any type of compensated absence and will eliminate potential comparability issues between governments that offer different types of leave. The model also will result in a more robust estimate of the amount of compensated absences that a government will pay or settle, which will enhance the relevance and reliability of information about the liability for compensated absences. This statement is effective for the fiscal year ending September 30, 2025.

GASB Statement No. 102, *Certain Risk Disclosures*. The requirements of this statement will improve financial reporting by providing users of financial statements with essential information that currently is not often provided. The disclosures will provide users with timely information regarding certain concentrations or constraints and related events that have occurred or have begun to occur that make a government vulnerable to a substantial impact. As a result, users will have better information with which to understand and anticipate certain risks to a government's financial condition. This statement is effective for the fiscal year ending September 30, 2026.

GASB Statement No. 103, *Financial Reporting Model Improvements*. The requirements for MD&A will improve the quality of the analysis of changes from the prior year, which will enhance the relevance of that information. They also will provide clarity regarding what information should be presented in MD&A. The requirements for the separate presentation of unusual or infrequent items will provide clarity regarding which items should be reported separately from other inflows and outflows of resources. The definitions of operating revenues and expenses and of nonoperating revenues and expenses will replace accounting policies that vary from government to government, thereby improving comparability. The addition of a subtotal for operating income (loss) and noncapital subsidies will improve the relevance of information provided in the proprietary fund statement of revenues, expenses, and changes in fund net position. The requirement for presentation of major component unit information will improve comparability. The requirement that budgetary comparison information be presented as RSI will improve comparability, and the inclusion of the specified variances and the explanations of significant variances will provide more useful information for making decisions and assessing accountability. This statement is effective for the fiscal year ending September 30, 2026.

TOWN OF JUNO BEACH, FLORIDA
NOTES TO FINANCIAL STATEMENTS

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Assets, Liabilities and Net Position or Equity (Continued):

GASB Statement No. 104, *Disclosure of Certain Capital Assets*. The requirements of this statement will improve financial reporting by providing users of financial statements with essential information about certain types of capital assets in order to make informed decisions and assess accountability. Additionally, the disclosure requirements will improve consistency and comparability between governments. This statement is effective for the fiscal year ending September 30, 2026.

Estimates: Management uses estimates and assumptions in preparing financial statements in accordance with U.S. generally accepted accounting principles. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenue and expenditures/expenses. Actual results could vary from the estimates that were used.

NOTE 3. DEPOSITS AND INVESTMENTS

Deposits: The deposits with financial institutions were covered by a combination of federal depository insurance and a collateral pool pledged to the State Treasurer of Florida by financial institutions which comply with the requirements of Florida Statutes and have been designated as a qualified public depository by the State Treasurer. Qualified public depositories are required to pledge collateral to the State Treasurer with a fair value equal to a percentage of the average daily balance of all government deposits in excess of any federal deposit insurance. In the event of a default by a qualified public depository, the amount of public funds would be covered by the proceeds of federal deposit insurance, pledged collateral of the public depository in default and, if necessary, a pro rata assessment to the other qualified public depositories in the collateral pool. Accordingly, all deposits with financial institutions are considered fully insured or collateralized in accordance with the pronouncements of GASB. As of September 30, 2024, deposits with financial institutions had a bank balance of \$3,951,727 and a carrying amount of \$3,894,757. The Town also had \$850 in petty cash for a total carrying amount of cash and cash equivalents of \$3,895,607. Additionally, as of September 30, 2024, the Town had \$1,047,760 in Certificates of Deposit with financial institutions.

TOWN OF JUNO BEACH, FLORIDA
NOTES TO FINANCIAL STATEMENTS

NOTE 3. DEPOSITS AND INVESTMENTS (CONTINUED)

Investments: Florida Statutes authorize the Town to invest in the Local Government Surplus Funds Trust Fund (also known as Florida Prime fund) or any intergovernmental investment pool authorized pursuant to the Florida Interlocal Cooperation Act of 1969, as provided in s.163.01; Securities and Exchange Commission registered money market funds with the highest credit quality rating from a nationally recognized rating agency; negotiable direct obligations of or obligations unconditionally guaranteed by the U.S. government; interest-bearing time deposits or savings accounts in financial institutions located in Florida and organized under federal or Florida laws; obligations of the Federal Farm Credit Banks, Fannie Mae, the Federal Home Loan Bank or its district banks; obligations guaranteed by Gennie Mae and obligations of Freddie Mac; and, any additional investments specifically authorized by Town Ordinance. The Town has also adopted ordinances permitting investment in the Florida Municipal Investment Trust, an external, government investment pool administered by the Florida League of Cities.

The investments held by the Town at September 30, 2024 consist of the following:

General Fund	2024
Certificates of Deposit	\$ 1,047,760
Money Market Fund	1,076,063
Florida Prime Fund	676,472
FL PALM Portfolio	1,623
FL PALM Term Series	3,206,328
Investments in Florida Municipal Investment Trust	
0-2 Year High Quality Bond Fund	243,288
1-3 Year High Quality Bond Fund	572,145
Intermediate High Quality Bond Fund	465,924
	\$ 7,289,603

The money market fund is a sweep account that automatically transfers uninvested cash balances into a money market fund. The money market fund invests in high-quality, short-term money market instruments that consist of U.S. government obligations and repurchase agreements collateralized by U.S. government obligations and seeks current income, while preserving capital and liquidity. The money market fund is reported at net asset value and \$1 per share.

The Florida Prime fund consists of equity in an external investment pool administered by the State of Florida which meet the requirements with GASB Statement No. 79, *Certain External Investment Pools and Pool Participants*. GASB Statement No. 79 allows reporting the investments at amortized cost. As of September 30, 2024, there were no redemption fees or maximum transaction amounts, or any other requirements that serve to limit a participant's daily access to 100% of their account value. However, the Trustees of the funds can suspend the right of withdrawal or postpone the date of payment if the Trustees determine that there is an emergency that makes the sale of a Portfolio's securities or determination of its net asset value not reasonably practical.

TOWN OF JUNO BEACH, FLORIDA
NOTES TO FINANCIAL STATEMENTS

NOTE 3. DEPOSITS AND INVESTMENTS (CONTINUED)

The FL PALM Portfolio provides daily liquidity and allows unlimited investments and redemptions. The minimum investment is \$10,000. The FL PALM Portfolio is an external investment pool and is not registered with the Securities and Exchange Commission (SEC). The investment in the FL PALM Portfolio is reported at amortized cost in accordance with GASB Statement No. 79, *Accounting and Financial Reporting for Certain Investments and for External Investment Pools (GASB 79)*. As of September 30, 2024, there were no redemption fees or maximum transaction amounts, or any other requirements that serve to limit a participant's daily access to 100% of their account value. However, the Trustee of the FL PALM Portfolio can suspend the right of withdrawal or postpone the date of payment if the Trustee determines that there is an emergency.

The FL PALM Term Series invests in highly rated securities including U.S. Treasury securities, U.S. government agency securities, deposits including certificates of deposit and commercial paper Securities are rated at least 'A/F1' by Fitch Ratings or equivalent. The term portfolio is a fixed-rate, fixed-term portfolio with a maximum term of one year. The maturity profile of the term portfolio is managed to meet preset redemptions of the portfolio's participants. Upon investing in the program, a participant selects a planned maturity date on which the portfolio seeks to produce a share price of at least \$1.00 for the participant that redeems on said date. Participants may request premature redemption, but the portfolio may charge significant penalties for any redemption prior to the agreed-upon redemption date and net asset value may be more or less than \$1.00 per share. Redemptions will be made seven days after the request is received.

The Florida Municipal Investment Trust (the "Trust") is an external investment pool established in 1993 and administered by the Florida League of Cities, Inc. pursuant to the laws of the State of Florida. The Trust is exempt from registration under the Securities Act of 1933, the Investment Company Act of 1940, and the Florida Securities and Investors Protection Act. Participants in the Trust are limited to governmental entities in the State of Florida. The Trust operates several portfolios with differing investment goals. The Town invests in two Short Term Bond Portfolios and one Intermediate Term Bond Portfolio designed to provide an investment horizon and yield greater than that of money market instruments. The fair value of the Town's position in the Trust is the same as the fair value of the Trust shares. Purchases and redemption of shares in the Trust may only be made once or twice a month, depending upon the pool, and the Town must maintain an account balance of at least \$50,000.

TOWN OF JUNO BEACH, FLORIDA
NOTES TO FINANCIAL STATEMENTS

NOTE 3. DEPOSITS AND INVESTMENTS (CONTINUED)

Fair Value of Investments: The Town follows the provisions of GASB Statement No. 72, *Fair Value Measurement and Application*, which establishes a framework for measuring the fair value of investments in a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives highest priority to unadjusted quoted prices in active markets for identical assets (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under GASB Statement No. 72 are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets in active markets that the Town has the ability to access at the measurement date.

Level 2: Inputs to the valuation methodology include the following:

- Quoted prices for similar assets in active markets.
- Quoted prices for identical or similar assets in inactive markets.
- Inputs other than quoted prices that are observable for the assets.
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement. These unobservable inputs reflect the entity's own estimates for assumptions that market participants would use in pricing the asset or liability. Valuation techniques would typically include discounted cash flow models and similar techniques, but may also include the use of market prices of assets that are not directly comparable to the subject asset.

The fair value measurement of an asset within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. The categorization of an investment does not necessarily correspond to the Town's perceived risk of that investment.

TOWN OF JUNO BEACH, FLORIDA
NOTES TO FINANCIAL STATEMENTS

NOTE 3. DEPOSITS AND INVESTMENTS (CONTINUED)

Valuation Methodologies: The following valuation methods and assumptions were used by the Town in estimating the fair value of financial instruments that are measured at fair value on a recurring basis under GASB Statement No. 72.

Certificates of Deposit – Valued at cost plus accrued interest and exempt from reporting under the fair value hierarchy. Money Market Funds: Valued at net asset value and exempt from reporting under the fair value hierarchy.

Florida Prime Fund – Valued at amortized cost and exempt from reporting under the fair value hierarchy.

Florida Municipal Investment Trust Bond Funds – Valued at the net asset value of the fund based on the underlying securities that are actively traded or using security prices obtained from a pricing service, Interactive Data Corporation (IDC). Securities that are not actively traded are valued by IDC using a matrix pricing technique based on the securities' relationship to quoted benchmark prices.

FL PALM Portfolio – Valued at amortized cost and exempt from reporting under the fair value hierarchy.

FL PALM Term Series – Valued at net asset value and exempt from reporting under the fair value hierarchy.

The methods and assumptions described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Town believes its valuation methodologies are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date. There were no changes in the methods and assumptions used for the year ended September 30, 2024.

TOWN OF JUNO BEACH, FLORIDA
NOTES TO FINANCIAL STATEMENTS

NOTE 3. DEPOSITS AND INVESTMENTS (CONTINUED)

The financial assets measured at fair value on a recurring basis include the Town's investments. There are no liabilities measured at fair value on a recurring basis at September 30, 2024. The fair value of the Town's investments at September 30, 2024 is summarized as follows:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Fair Value</u>
General Fund				
Investments by Level				
Florida Municipal Investment Trust				
0-2 Year High Quality Bond Fund	\$ -	\$ 243,288	\$ -	\$ 243,288
1-3 Year High Quality Bond Fund	-	572,145	-	572,145
Intermediate High Quality Bond Fund	-	465,924	-	465,924
	<u>-</u>	<u>1,281,357</u>	<u>-</u>	<u>1,281,357</u>
Investments Reported at Cost				
Certificates of Deposit	-	-	-	1,047,760
Investments Reported at Amortized Cost				
Florida Prime Fund	-	-	-	676,472
FL PALM Portfolio	-	-	-	1,623
Investments Reported at NAV				
Money Market Fund	-	-	-	1,076,063
FL PALM Term Series	-	-	-	3,206,328
Total Investments	<u>\$ -</u>	<u>\$ 1,281,357</u>	<u>\$ -</u>	<u>\$ 7,289,603</u>

Interest Rate Risk: Interest rate risk is the risk that changes in interest rates will adversely affect the fair value of an investment in debt securities. Generally, the longer the time to maturity, the greater the exposure to interest rate risk. The Town's investment policy limits the maturities of its investments to shorter term securities, money market mutual funds or similar investment pools. However, the policy does not limit maturities to a specific number of years. The table below summarizes the weighted average maturity of the Town's fixed income investments at September 30, 2024:

<u>General Fund</u>	<u>Weighted Average Maturity</u>	<u>Fair Value</u>
Certificates of Deposit	100 days	\$ 1,047,760
Money Market Fund	Zero days	1,076,063
Florida Prime Fund	39 days	676,472
FL PALM Portfolio	38 days	1,623
FL PALM Term Series	157 days	3,206,328
0-2 Year High Quality Bond Fund	0.90 years	243,288
1-3 Year High Quality Bond Fund	1.80 years	572,145
Intermediate High Quality Bond Fund	4.90 years	465,924
		<u>\$ 7,289,603</u>

TOWN OF JUNO BEACH, FLORIDA
NOTES TO FINANCIAL STATEMENTS

NOTE 3. DEPOSITS AND INVESTMENTS (CONTINUED)

Credit Risk: Credit risk is the risk that a debt issuer will not fulfill its obligations. The security rating by a Nationally Recognized Statistical Rating Organization (NRSRO) is an indication of credit risk. The Town does not have a policy requiring that investments in debt securities be rated in certain investment grades by a NRSRO.

The NRSRO ratings for the general fund investments at September 30, 2024, are listed below:

General Fund	NRSRO Rating	Fair Value
Certificates of Deposit	Not Rated	\$ 1,047,760
Money Market Fund	Not Rated	1,076,063
Florida Prime Fund	AAAm S&P	676,472
FL PALM Portfolio	AAAm S&P	1,623
FL PALM Term Series	AAAf Fitch	3,206,328
0-2 Year High Quality Bond Fund	AAAf/S1 Fitch	243,288
1-3 Year High Quality Bond Fund	AAAf/S2 Fitch	572,145
Intermediate High Quality Bond Fund	AAAf/S3 Fitch	465,924
		\$ 7,289,603

Custodial Credit Risk: Custodial credit risk is defined as the risk that the Town may not recover cash and investments held by another party in the event of a financial failure. The investments in the Florida Prime fund, FL Palm Portfolio, FL Palm Term Series, and the Florida Municipal Investment Trust are considered unclassified pursuant to the custodial credit risk categories of GASB Statement No. 40, *Deposit and Investment Risk Disclosures*, an amendment of GASB Statement No. 3, because they are not evidenced by securities that exist in physical or book-entry form.

TOWN OF JUNO BEACH, FLORIDA
NOTES TO FINANCIAL STATEMENTS

NOTE 4. CAPITAL ASSETS

The Town's capital asset activity for the year ended September 30, 2024 was as follows:

<u>Governmental Activities</u>	Balance at Beginning of Year	Increases	Decreases	Balance at End of Year
Capital assets, not being depreciated:				
Land	\$ 1,080,260	\$ -	\$ -	\$ 1,080,260
Construction in progress	1,334,023	312,946	(1,334,023)	312,946

Total capital assets, net	<u>\$ 5,767,846</u>	<u>\$ 3,460,685</u>	<u>\$ (1,344,372)</u>	<u>\$ 7,884,159</u>

Depreciation expense was charged to functions/programs as follows:

<u>Governmental Activities</u>		
Administrative		\$ 51,455
Planning and zoning		4,634
Public safety		112,372
Public works		268,654
Total depreciation expense - governmental activities		<u>\$ 437,115</u>

NOTE 5. NONCURRENT LIABILITIES

The following is a summary of changes in the Town's noncurrent liabilities for the year ended September 30, 2024:

<u>Governmental Activities</u>	Balance at Beginning of Year	Increases	Decreases	Balance at End of Year	Amounts Due Within One Year
Compensated absences	\$ 267,099	\$ 317,541	\$ (336,366)	\$ 248,274	\$ 14,264
Net pension liability	4,488,294	1,954,469	(2,790,275)	3,652,488	-
Other post-employment benefits liability	68,245	14,470	(12,471)	70,244	-
	<u>\$ 4,823,638</u>	<u>\$ 2,286,480</u>	<u>\$ (3,139,112)</u>	<u>\$ 3,971,006</u>	<u>\$ 14,264</u>

TOWN OF JUNO BEACH, FLORIDA
NOTES TO FINANCIAL STATEMENTS

NOTE 6. FLORIDA RETIREMENT SYSTEM

All full-time Town employees hired before January 1, 1996, and all Town police officers are required to participate in the Florida Retirement System Pension Plan (FRS) and the Retiree Health Insurance Subsidy Program (HIS), administered by the Florida Department of Management Services' Division of Retirement. All full-time and eligible part-time, general employees hired after January 1, 1996, are required to participate in the Town's defined contribution pension plan administered by the Town through the Florida League of Cities, Inc.

General Information: The FRS was created in Chapter 121, Florida Statutes, to provide a defined benefit pension plan for participating public employees. The FRS was amended in 1998 to add the Deferred Retirement Option Program (DROP) under the defined benefit plan and amended in 2000 to provide a defined contribution plan alternative to the defined benefit plan for FRS members effective July 1, 2002.

This integrated defined contribution pension plan is the Florida Retirement System Investment Plan. Chapter 112, Florida Statutes, established the Retiree Health Insurance Subsidy (HIS) Program, a cost sharing multiple-employer defined benefit pension plan, to assist retired members of any state administered retirement system in paying the costs of health insurance.

Provisions relating to the FRS are established by Chapters 121 and 122, Florida Statutes; Chapter 112, Part IV, Florida Statutes; Chapter 238, Florida Statutes; and FRS Rules, Chapter 60S, *Florida Administrative Code*; wherein eligibility, contributions, and benefits are defined and described in detail. Such provisions may be amended at any time by further action from the Florida Legislature. The FRS is single retirement system administered by the Florida Department of Management Services, Division of Retirement, and consists of the two cost-sharing, multiple-employer defined benefit plans and other nonintegrated programs.

The State of Florida annually issues a publicly available financial report that includes financial statements and required supplementary information for the FRS. The latest available report may be obtained by writing to the State of Florida Division of Retirement, Department of Management Services, P.O. Box 9000, Tallahassee, Florida 32315-9000 or calling toll free at 877-377-1737. The report is also available at the Florida Department of Management Services web site www.dms.myflorida.com.

TOWN OF JUNO BEACH, FLORIDA
NOTES TO FINANCIAL STATEMENTS

NOTE 6. FLORIDA RETIREMENT SYSTEM (CONTINUED)

Pension Plan

Plan Description: The FRS Pension Plan is a cost-sharing multiple-employer defined benefit pension plan, with a Deferred Retirement Option Program (DROP) for eligible employees. The general classes of membership are as follows:

- Regular Class
- Special Risk Class
- Senior Management Service Class

Employees enrolled in the Plan prior to July 1, 2011, vest at six years of creditable service and employees enrolled in the Plan on or after July 1, 2011, vest at eight years of creditable service. All vested members, enrolled prior to July 1, 2011, are eligible for normal retirement benefits at age 62 or at any age after 30 years of service.

Section 121.091, Florida Statutes, permits employees eligible for normal retirement under the Plan to defer receipt of monthly benefit payments while continuing employment with an FRS employer. An employee may participate in DROP for a period not to exceed 60 months after electing to participate, except that certain instructional personnel may participate for up to 96 months. During the period of DROP participation, deferred monthly benefits are held in the FRS Trust Fund and accrue interest. The net pension liability does not include amounts for DROP participants, as these members are considered retired and are not accruing additional pension benefits.

Benefits Provided: Benefits under the Plan are computed on the basis of age and/or years of service, average final compensation, and service credit. Credit for each year of service is expressed as a percentage of the average final compensation. For members initially enrolled before July 1, 2011, the average final compensation is the average of the five highest fiscal years' earnings; for members initially enrolled on or after July 1, 2011, the average final compensation is the average of the eight highest fiscal years' earnings. The total percentage value of the benefit received is determined by calculating the total value of all service, which is based on the retirement class to which the member belonged when the service credit was earned. Members are eligible for in-line-of-duty or regular disability and survivors' benefits.

TOWN OF JUNO BEACH, FLORIDA
NOTES TO FINANCIAL STATEMENTS

NOTE 6. FLORIDA RETIREMENT SYSTEM (CONTINUED)

Pension Plan (Continued)

The following table shows the percentage value for each year of service credit earned:

Regular Class members initially enrolled before July 1, 2011	
Retirement up to age 62 or up to 30 years of service	1.60%
Retirement at age 63 or with 31 years of service	1.63%
Retirement at age 64 or with 32 years of service	1.65%
Retirement at age 65 or with 33 or more years of service	1.68%
Regular Class members initially enrolled on or after July 1, 2011	
Retirement up to age 65 or up to 33 years of service	1.60%
Retirement at age 66 or with 34 years of service	1.63%
Retirement at age 67 or with 35 years of service	1.65%
Retirement at age 68 or with 36 or more years of service	1.68%
Special Risk Class	
Service from December 1, 1970 through September 30, 1974	2.00%
Service on or after October 1, 1974	3.00%
Senior Management Service Class	2.00%

As provided in Section 121.101, Florida Statutes, if the member is initially enrolled in the FRS before July 1, 2011, and all service credit was accrued before July 1, 2011, the annual cost-of-living adjustment is 3% per year. If the member is initially enrolled before July 1, 2011, and has service credit on or after July 1, 2011, there is an individually calculated cost-of-living adjustment. The annual cost-of-living adjustment is a proportion of 3% determined by dividing the sum of the pre-July 2011 service credit by the total service credit at retirement multiplied by 3%. Plan members initially enrolled on or after July 1, 2011 will not have a cost-of-living adjustment after retirement.

TOWN OF JUNO BEACH, FLORIDA
NOTES TO FINANCIAL STATEMENTS

NOTE 6. FLORIDA RETIREMENT SYSTEM (CONTINUED)

Pension Plan (Continued)

Contributions: Effective July 1, 2011, all enrolled members of the FRS, other than DROP participants, are required to contribute 3% of their salary to the FRS. In addition to member contributions, governmental employers are required to make contributions to the FRS based on state-wide contribution rates established by the Florida Legislature. These rates are updated as of July 1 of each year. The employer contribution rates by job class for the fiscal year ended September 30, 2024 were as follows:

Class	October 1, 2023 through June 30, 2024	July 1, 2024 through September 30, 2024
Regular class	13.57%	13.63%
Senior management service class	34.52%	34.52%
Special risk class	32.67%	32.79%
Drop	21.13%	21.13%

The employer contribution rates include a 2.00% HIS Plan subsidy. Except for the DROP, the rates also include 0.06% for administrative costs of the Public Employee Optional Retirement Program.

For the fiscal year ended September 30, 2024, the Town made contributions of \$456,848 to the Pension Plan and the Town's employees made contributions of \$50,598, for total contributions of \$586,326.

TOWN OF JUNO BEACH, FLORIDA
NOTES TO FINANCIAL STATEMENTS

NOTE 6. FLORIDA RETIREMENT SYSTEM (CONTINUED)

Pension Plan (Continued)

Pension Liabilities, Pension Expense, and Deferred Outflows of Resources and Deferred Inflows of Resources Related to Pensions: At September 30, 2024, the Town reported a liability of \$3,066,585 for its proportionate share of the Pension Plan's net pension liability. The net pension liability was measured as of June 30, 2024, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of July 1, 2024. The Town's proportionate share of the net pension liability was based on the Town's 2023-2024 plan year contributions relative to the 2023-2024 plan year contributions of all participating members. At June 30, 2024, the Town's proportionate share was 0.007927126%, which was a decrease of 0.001332719% from its proportionate share measured as of June 30, 2023.

For the fiscal year ended September 30, 2024, the Town recognized pension expense of \$313,974 related to the Plan. In addition, the Town reported deferred outflows of resources and deferred inflows of resources related to pensions from the following sources:

Descriptions	Deferred Outflows of Resources	Deferred Inflows of Resources
Difference between expected and actual experience	\$ 309,807	\$ -
Changes of assumptions	420,304	-
Net difference between projected and actual earnings of pension plan investments	-	203,821
Change in proportion and differences between Town pension plan contributions and proportionate share of contributions	83,107	517,947
Town pension plan contributions subsequent to the measurement date	130,663	-
Total	<u>\$ 943,881</u>	<u>\$ 721,768</u>

TOWN OF JUNO BEACH, FLORIDA
NOTES TO FINANCIAL STATEMENTS

NOTE 6. FLORIDA RETIREMENT SYSTEM (CONTINUED)

Pension Plan (Continued)

The deferred outflows of resources related to the Pension Plan, totaling \$130,663 resulting from Town contributions to the Plan subsequent to the measurement date, will be recognized as a reduction of the net pension liability in the fiscal year ended September 30, 2025. Other amounts reported as deferred outflows of resources and deferred inflows of resources related to the Pension Plan will be recognized in pension expense as follows:

Fiscal Year Ending September 30,	Amount
2025	\$ (8,101)
2026	88,001
2027	6,415
2028	303
2029	4,832
Thereafter	-
	\$ 91,450

Actuarial Assumptions: The total pension liability in the June 30, 2024 actuarial valuation was determined using the following actuarial assumptions:

Valuation date:	July 1, 2024.
Measurement date:	June 30, 2024.
Inflation:	2.40%
Salary increases:	3.50%, average, including inflation.
Investment rate of return:	6.70%, net of pension plan investment expense, including inflation.
Mortality:	PUB2010 base table varies by member category and sex, projected generationally with Scale MP-2021.
Actuarial cost method:	Individual entry age.

The actuarial assumptions that determined the total pension liability as of June 30, 2024, were based on the results of an actuarial experience study for the period July 1, 2018 through June 30, 2023.

TOWN OF JUNO BEACH, FLORIDA
NOTES TO FINANCIAL STATEMENTS

NOTE 6. FLORIDA RETIREMENT SYSTEM (CONTINUED)

Pension Plan (Continued)

The long-term expected rate of return on investments is not based on historical returns, but instead is based on a forward-looking capital market economic model. The allocation policy's description of each asset class was used to map the target allocation to the asset classes shown below. Each asset class assumption is based on a consistent set of underlying assumptions and includes an adjustment for the inflation assumption. The target allocation and best estimates of arithmetic and geometric real rates of return for each major asset class are summarized in the following table:

Description	(1)Target Allocation	Annual Arithmetic Return	Compound Annual (Geometric) Return	Standard Deviation
Cash	1.0%	3.3%	3.3%	1.1%
Fixed income	29.0%	5.7%	5.6%	3.9%
Global equity	45.0%	8.6%	7.0%	18.2%
Real estate	12.0%	8.1%	6.8%	16.6%
Private equity	11.0%	12.4%	8.8%	28.4%
Strategic investments	2.0%	6.6%	6.2%	8.7%
Total	100.0%			
Assumed inflation - mean			2.4%	1.5%

(1) As outlined in the pension plan's investment policy

Discount Rate: The discount rate used to measure the total pension liability as of June 30, 2024 was 6.70%. The Pension Plan's fiduciary net position was projected to be available to make all projected future benefit payments of current active and inactive employees. Therefore, the discount rate for calculation the total pension liability is equal to the long-term expected rate of return.

Sensitivity of the Town's Proportionate Share of the Net Position Liability to Changes in the Discount Rate: The following represents the Town's proportionate share of the net pension liability calculated using the discount rate of 6.70%, as well as what the Town's proportionate share of the net pension liability would be if it were calculated using a discount rate that is one percentage point lower (5.70%) or one percentage point higher (7.70%) than the current rate:

	1% Decrease (5.70%)	Current Discount Rate (6.70%)	1% Increase (7.70%)
Town's proportionate share of the net pension liability	<u>\$ 5,394,016</u>	<u>\$ 3,066,585</u>	<u>\$ 1,116,868</u>

NOTE 6. FLORIDA RETIREMENT SYSTEM (CONTINUED)

Pension Plan (Continued)

Pension Plan Fiduciary Net Position: Detailed information regarding the Pension Plan's fiduciary net position is available in the separately issued FRS Pension Plan and Other State-Administered Systems Annual Comprehensive Financial Report.

Payables to the Pension Plan: At September 30, 2024, the Town reported a \$69,102 payable for outstanding contributions to the Pension Plan for the fiscal year ended September 30, 2024.

Retiree Health Insurance Subsidy (HIS) Program

Plan Description: The HIS Plan is a cost-sharing multiple-employer defined benefit pension plan established under Section 112.363, Florida Statutes, and may be amended by the Florida legislature at any time. The benefit is a monthly payment to assist retirees of state-administered retirement systems in paying their health insurance costs and is administered by the Florida Department of Management Services, Division of Retirement.

Benefits Provided: For the fiscal year ended September 30, 2024, eligible retirees and beneficiaries received a monthly HIS payment of \$5 for each year of creditable service completed at the time of retirement, with a minimum HIS payment of \$30 and a maximum HIS payment of \$150 per month. To be eligible to receive these benefits, a retiree under a state-administered retirement system must provide proof of health insurance coverage, which may include Medicare.

Contributions: The HIS Plan is funded by required contributions from FRS participating employers as set by the Florida Legislature. Employer contributions are a percentage of gross compensation for all active FRS members. For the fiscal year ended September 30, 2024, the HIS contribution was 2.00%. The Town contributed 100% of its statutorily required contributions for the current and preceding three years. HIS Plan contribution are deposited in a separate trust fund from which payments are authorized. HIS Plan benefits are not guaranteed and are subject to annual legislative appropriation. In the event legislative appropriation or available funds fail to provide full subsidy benefits to all participants, benefits may be reduced or cancelled.

The Town's contributions to the HIS Plan totaled \$33,231 for the fiscal year ended September 30, 2024.

TOWN OF JUNO BEACH, FLORIDA
NOTES TO FINANCIAL STATEMENTS

NOTE 6. FLORIDA RETIREMENT SYSTEM (CONTINUED)

Pension Plan (Continued)

Pension Liabilities, Pension Expense, and Deferred Outflows of Resources and Deferred Inflows of Resources Related to Pensions: At September 30, 2024, the Town reported a liability of \$585,903 for its proportionate share of the HIS Plan's net pension liability. The net pension liability was measured as of June 30, 2024, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of July 1, 2024. The Town's proportionate share of the net pension liability was based on the Town's 2023-2024 plan year contributions relative to the 2022-2023 plan year contributions of all participating members. At June 30, 2024, the Town's proportionate share was 0.003905765%, which was an decrease of 0.001122394% from its proportionate share measured as of June 30, 2023. For the fiscal year ended September 30, 2024, the Town recognized pension benefit of \$10,138. In addition, the Town reported deferred outflows of resources and deferred in flows of resources related to pensions from the following sources:

Descriptions	Deferred Outflows of Resources	Deferred Inflows of Resources
Difference between expected and actual experience	\$ 5,657	\$ 1,125
Changes of assumptions	10,369	69,363
Net difference between projected and actual earnings of pension plan investments	-	212
Change in proportion and differences between Town pension plan contributions and proportionate share of contributions	5,961	174,938
Town pension plan contributions subsequent to the measurement date	9,287	-
Total	<u>\$ 31,274</u>	<u>\$ 245,638</u>

The deferred outflows of resources related to the HIS Plan, totaling \$9,287 resulting from Town contributions to the HIS Plan subsequent to the measurement date, will be recognized as a reduction of the net pension liability in the fiscal year ended September 30, 2025. Other amounts reported as deferred outflows of resources and deferred inflows of resources related to the HIS Plan will be recognized in pension expense as follows:

Fiscal Year Ending September 30,	Amount
2025	\$ (36,284)
2026	(44,769)
2027	(65,217)
2028	(45,598)
2029	(24,845)
Thereafter	(6,938)
	<u>\$ (223,651)</u>

TOWN OF JUNO BEACH, FLORIDA
NOTES TO FINANCIAL STATEMENTS

NOTE 6. FLORIDA RETIREMENT SYSTEM (CONTINUED)

Pension Plan (Continued)

Actuarial Assumptions: The total pension liability in the July 1, 2024, actuarial valuation was determined using the following actuarial assumptions:

Valuation date:	July 1, 2024.
Measurement date:	June 30, 2024.
Inflation:	2.40%
Salary increases:	3.50%, average, including inflation.
Municipal bond rate:	3.93%
Investment rate of return:	N/A
Mortality:	Generational PUB-2010 with Projection Scale MP-2021.
Actuarial cost method:	Individual entry age.

The actuarial assumptions that determined the total pension liability as of June 30, 2024, were based on the results of an actuarial experience study for the period July 1, 2013 through June 30, 2018.

Discount Rate: The discount rate used to measure the total pension liability as of June 30, 2023 was 3.93%, which increased from the discount rate of 3.65% as of June 30, 2023. In general, the discount rate for calculating the total pension liability is equal to the single rate equivalent to discounting at the long-term expected rate of return for benefit payments prior to the projected depletion date. Because the HIS benefit is essentially funded on a pay-as-you-go basis, the depletion date is considered to be immediate, and the single equivalent discount rate is equal to the municipal bond rate selected by the HIS Plan sponsor. The Bond Buyer General Obligation 20-Bond Municipal Bond Index was adopted as the applicable municipal bond index.

TOWN OF JUNO BEACH, FLORIDA

Sensitivity of the Town’s Proportionate Share of the Net Position Liability to Changes in the Discount Rate: The following represents the Town’s proportionate share of the net pension liability calculated using the discount rate of 3.65%, as well as what the Town’s proportionate share of the net pension liability would be if it were calculated using a discount rate that is one percentage point lower (2.93%) or one percentage point higher (4.93%) than the current rate:

	1% Decrease (2.93%)	Current Discount Rate (3.93%)	1% Increase (4.93%)
Town’s proportionate share of the net pension liability	\$ 666,975	\$ 585,903	\$ 518,600

Pension Plan Fiduciary Net Position: Detailed information regarding the HIS Plan’s fiduciary net position is available in the separately issued FRS Pension Plan and Other State-Administered Systems Annual Comprehensive Financial Report.

Payables to the Pension Plan: At September 30, 2024, the Town did not report a payable for outstanding contributions to the HIS Plan for the fiscal year ended September 30, 2024.

Summary Data

The following table provides a summary of significant information related to the Florida Retirement System defined benefit plans for the year ended September 30, 2024:

Description	Pension Plan	HIS Plan	Total
Proportionate share of net pension liability	3,066,585	585,903	3,652,488
Proportionate share of deferred outflows of resources	943,881	31,274	975,155
Proportionate share of deferred inflows of resources	721,768	245,638	967,406
Proportionate share of pension expense	313,974	(10,138)	303,836

Investment Plan

Plan Description: The Florida Retirement System Investment Plan is a defined contribution retirement plan qualified under Section 401(a) of the Internal Revenue Code. The Florida Legislature enacted the Plan during the 2000 legislative session, and amendments to the Plan can only be made by an act of the Florida Legislature. The Plan is administered by the State Board of Administration of Florida. The Investment Plan is reported in the SBA’s annual financial statements and in the State of Florida Annual Comprehensive Financial Report.

TOWN OF JUNO BEACH, FLORIDA
NOTES TO FINANCIAL STATEMENTS

NOTE 6. FLORIDA RETIREMENT SYSTEM (CONTINUED)

Pension Plan (Continued)

As provided in Section 121.4501, Florida Statutes, eligible FRS members may elect to participate in the Investment Plan in lieu of the FRS defined benefit plan. Town employees participating in DROP are not eligible to participate in the Investment Plan. Employer and employee contributions, including amounts contributed to individual member's accounts, are defined by law, but the ultimate benefit depends in part on the performance of investment funds. Benefit terms, including contribution requirements, for the Investment Plan are established and may be amended by the Florida Legislature.

Funding Policy: The Investment Plan is funded with the same employer and employee contribution rates that are based on salary and membership class (Regular Class, Special Risk Class, etc.), as the Pension Plan. Contributions are directed to individual member accounts, and the individual members allocate contributions and account balances among various approved investment choices. Costs of administering the Investment Plan, including the FRS Financial Guidance Program, are funded through an employer contribution of 0.06% of payroll and by forfeited benefits of plan members.

Participating employers are required to make contributions based upon statewide contributions rates. The contribution rates by job class for the Town's employees for the fiscal year ended September 30, 2024, are as follows:

Class	October 1, 2023 through June 30, 2024	July 1, 2024 through September 30, 2024
Regular class	13.57%	13.63%
Senior management service class	34.52%	34.52%
Special risk class	32.67%	32.79%
Drop	21.13%	21.13%

For all membership classes, employees are immediately vested in their own contributions and are vested after one year of service for employer contributions and investment earnings. If an accumulated benefit obligation for service credit originally earned under the Pension Plan is transferred to the Investment Plan, the member must have the years of service required for Pension Plan vesting (including the service credit represented by the transferred funds) to be vested for these funds and the earnings on the funds. Nonvested employer contributions are placed in a suspense account for up to five years. If the employee returns to FRS-covered employment within the five-year period, the employee will regain control over their account. If the employee does not return within the five-year period, the employee will forfeit the accumulated account balance. For the fiscal year ended September 30, 2024, the information for the amount of forfeitures was unavailable from the SBA; however, management believes that these amounts, if any, would be immaterial to the Town.

TOWN OF JUNO BEACH, FLORIDA
NOTES TO FINANCIAL STATEMENTS

NOTE 6. FLORIDA RETIREMENT SYSTEM (CONTINUED)

Pension Plan (Continued)

After termination and applying to receive benefits, the member may rollover vested funds to another qualified plan, structure a periodic payment under the Investment Plan, receive a lump sum distribution, leave the funds invested for future distribution, or any combination of these options. Disability coverage is provided; the member may either transfer the account balance to the Pension Plan when approved for disability retirement to receive guaranteed lifetime monthly benefits under the Pension Plan, or remain in the Investment Plan and rely upon that account balance for retirement income. The Town's Investment Plan pension expense totaled \$45,649 for the fiscal year ended September 30, 2024.

NOTE 7. GENERAL EMPLOYEES' RETIREMENT PLAN AND TRUST FUND

The Town also provides pension benefits through a defined contribution pension plan administered by the Town through the Florida League of Cities, Inc. At September 30, 2024, there were 23 plan members, including 16 active Plan members. Effective July 1, 2017, the Town amended its retirement policy such that plan members are required to contribute 2% and the Town is required to contribute 8% of Plan members' covered payroll. The Town's net pension expense recognized in 2024 was \$129,551. Town contributions vest 50% after five years and 10% each year thereafter, until ten years of service, at which time the contributions are fully vested. Plan provisions and contribution requirements are established and may be amended by the Town Council. The Town's pension trust fund uses the accrual basis of accounting. Employer contributions are recognized in the period that the contributions are due. Plan members may invest their contributions in a variety of mutual funds selected by the Plan administrator. Plan investments are reported at fair value. The investments are valued based on the last reported net asset value of mutual fund shares traded on a national exchange. The fair value of investments of the Plan at September 30, 2024 was \$1,110,789.

NOTE 8. OTHER POST-EMPLOYMENT BENEFITS

General Information about the Other Post-Employment Benefits (OPEB) Plan:

Plan Description: The Town provides a single employer defined benefit health care plan to all of its employees. The plan allows its employees and their beneficiaries to continue to obtain health benefits upon retirement. The benefits of the plan are in accordance with Florida Statutes, which are the legal authority for the plan. A trust has not been established to fund the plan. The plan has no assets and does not issue a separate financial report.

TOWN OF JUNO BEACH, FLORIDA
NOTES TO FINANCIAL STATEMENTS

NOTE 8. OTHER POST-EMPLOYMENT BENEFITS (CONTINUED)

Contributions: The Town does not directly make a contribution to the plan on behalf of retirees. Retirees and their beneficiaries pay the same group rates as are charged to the Town for active employees by its healthcare provider. However, the Town's actuaries in their actuarial valuation, calculate an offset to the cost of these benefits as an Employer Contribution, based upon an implicit rate subsidy. This offset equals the total age-adjusted costs paid by the Town or its active employees for coverage of the retirees and their dependents for the year net of the retiree's own payments for the year.

Plan Membership: The following table provides a summary of the participants in the plan as of October 1, 2023, the latest valuation date:

Active employees	26
Retirees and beneficiaries receiving benefits	-
Inactive employees not yet receiving benefits	-
	-
Total	26

Total OPEB Liability

As of September 30, 2024, The Town's Total OPEB Liability of \$70,244 was measured as of September 30, 2024, and was determined by the actuarial valuation as of July 1, 2024.

Actuarial Methods and Significant Assumptions: The actuarial methods and significant assumptions used to determine the Town's total OPEB liability for the current year are summarized as follows:

Valuation date:	July 1, 2024
Measurement date:	September 30, 2024
Demographics:	Mortality rates, turnover, disability and retirement rates based on the 2022 FRS actuarial experience study report.
Actuarial cost method:	Entry age normal.
Medical trend:	Developed using the Society of Actuaries Getzen Long-Run Medical Cost Trend Model 7.50% per year initially, decreasing to 4.04% by 2075.
Election:	60% of employees with medical coverage will elect to retain the coverage at retirement.
Amortization:	Expected future working lifetime of all participants expected to receive benefits.
Remaining amortization period:	5 years.
Discount rate:	3.88%, September 30, 2024 Measurement Date.
Mortality rates:	Pub-2010 mortality table with generational scale MP-2021.

Discount Rate: The Town does not have a dedicated Trust to pay retiree healthcare benefits. Per GASB 75, the discount rate is a yield or index rate for 20-year, tax-exempt general obligation municipal bonds with an average rating of AA/Aa or higher. As of September 30, 2024, the calculation used a rate of 3.88%.

Changes in assumptions	7,229
Net changes	1,999
 Balance as of September 30, 2024	 \$ 70,244

Changes in Assumptions: All assumptions, methods, and results are based on the fiscal year 2024 GASB 75 actuarial report dated January 6, 2025. Changes were made since the prior valuation dated October 26, 2023 where the discount rate was decreased from 4.63% to 3.88%; the healthcare cost trend assumption was updated based on the latest Getzen model released by the Society of Actuaries (SOA) in 2024; the mortality improvement scale assumption was updated to MP-2021 to reflect more recently published data by the SOA; the disability decrement assumption was updated for Special Risk employees to reflect the assumption change in the FRS Pension Plan Actuarial Valuation as of July 1, 2024; the salary scale assumption was updated to be consistent with that used in the FRS Pension valuation; and the election assumption was updated from 40% to 60% to be consistent with other access only pre-Medicare OPEB plans in the Florida public sector with more credible populations.

Sensitivity of the Total OPEB Liability to Changes in the Discount Rate: The following table presents the total OPEB liability of the Town calculated using the current discount rate of 3.88%, as well as what the total OPEB liability would be if it were calculated using a discount rate that is one percentage point lower (2.88%) or one percentage point higher (4.88%) than the current rate:

	1% Decrease (2.88%)	Current Discount Rate (3.88%)	1% Increase (4.88%)
Total OPEB Liability	\$ 75,591	\$ 70,244	\$ 64,988

TOWN OF JUNO BEACH, FLORIDA
NOTES TO FINANCIAL STATEMENTS

NOTE 8. OTHER POST-EMPLOYMENT BENEFITS (CONTINUED)

Sensitivity of the Total OPEB Liability to Changes in the Healthcare Cost Trend Rates: The following table presents the total OPEB liability of the Town calculated using the assumed healthcare cost trend rates, as well as what the total OPEB liability would be if it were calculated using a discount rate that is one percentage point lower or one percentage point higher than the assumed healthcare cost trend rates:

	1% Decrease	Current healthcare cost trend rates	1% Increase
Total OPEB Liability	\$ 59,363	\$ 70,244	\$ 83,327

OPEB Expense, Deferred Outflows of Resources, and Deferred Inflows of Resources Related to OPEB: For the year ended September 30, 2024, the Town recognized OPEB benefit of \$3,887. At September 30, 2024, the Town reported deferred outflows of resources and deferred inflows of resources related to OPEB from the following sources:

Descriptions	Deferred Outflows of Resources	Deferred Inflows of Resources
Difference between expected and actual experience	\$ -	\$ 12,084
Changes of assumptions	13,658	457
Total	\$ 13,658	\$ 12,541

Amounts reported as deferred outflows of resources and deferred inflows of resources will be recognized in OPEB expense as follows:

Fiscal Year Ending September 30,	Amount
2025	\$ 1,216
2026	1,127
2027	1,132
2028	(861)
2029	(749)
Thereafter	(748)
	\$ 1,117

TOWN OF JUNO BEACH, FLORIDA
NOTES TO FINANCIAL STATEMENTS

NOTE 9. COMMITMENTS AND CONTINGENCIES

Litigation: The Town is exposed to various risks of loss related to torts; theft of, damage to and destruction of assets; errors and omissions; injuries to employees, and natural disasters for which the Town carries commercial insurance. Retention of risks is limited to those risks that are uninsurable and deductibles. The Town has not significantly reduced insurance coverage from the prior year, and there were no settled claims which exceeded insurance coverage during the past three fiscal years.

Florida Statutes limit the Town's maximum loss for most liability claims to \$200,000 per person and \$300,000 per occurrence under the Doctrine of Sovereign Immunity. However, under certain circumstances, a plaintiff can seek to recover damages in excess of statutory limits by introducing a claims bill to the Florida Legislature. The limits addressed in Florida Statutes do not apply to claims filed in federal courts.

Cost Sharing Agreement: The Town entered into an Interlocal Agreement ("Agreement") with the City of Palm Beach Gardens, Florida ("PBG"), and the Town of Jupiter, Florida, for the sharing of costs related to public safety dispatch services. The Agreement was for a five-year period ending September 30, 2026. The Dispatch Services are performed by PBG employees who operate the dispatch center. Each contracting municipality's share of the costs of operating the dispatch center are based upon the percentage of each municipality's population as compared to the total population of the contracting municipalities being served. The Town's total costs related to this Agreement were \$154,648 for the year ended September 30, 2024.

Encumbrances: At September 30, 2024, the Town had encumbrances no encumbrances.

NOTE 10. INDUSTRIAL DEVELOPMENT BONDS

On November 20, 2019, the Town issued \$975,000 of Series 2019A Industrial Development Bonds to provide financial assistance to the Loggerhead Marinelife Center, Inc. Project for facility expansions deemed to be in the public interest. The bonds do not represent or constitute a debt, liability, or obligation or pledge of the faith and credit or taxing power of the Town. Accordingly, the bonds are not reported as liabilities in the accompanying financial statements. As of September 30, 2024, there was \$799,787 of the Series 2019A conduit debt outstanding.

NOTE 11. SUBSEQUENT EVENT

The Town has evaluated subsequent events through March 11, 2025, the date the financial statements were issued.

TOWN OF JUNO BEACH, FLORIDA

**NOTES TO REQUIRED SUPPLEMENTARY INFORMATION
FOR THE FISCAL YEAR ENDED SEPTEMBER 30, 2024**

NOTE 1. BUDGETARY CONTROL

Budgets: The Town is legally required to adopt a budget for the General Fund. This budget is prepared on the modified accrual basis of accounting consistent with U.S. generally accepted accounting principles (GAAP), except that for budgetary purposes current year encumbrances, if any, are treated as expenditures. Unencumbered appropriations lapse at fiscal year-end.

Changes or amendments to the total budgeted expenditures of the Town or total departmental expenditures must be approved by the Town Council; however, changes within a department, which do not affect the total departmental expenditures, may be approved by the Town Manager. Accordingly, the legal level of control is at the department level.

During the year, the Town made several administrative changes on the departmental level approved by the Town Council. The Town has complied with the Florida Statute requirement that budgets be in balance. The budgeted expenditures reflected in the accompanying financial statements exceed revenue by the amounts budgeted from beginning fund balance.

Encumbrances: Encumbrance accounting, under which purchase orders, contracts and other commitments for the expenditure of funds are recorded in order to reserve that portion of the applicable appropriation, is employed as part of the budgetary accounting system in the General Fund. Encumbrances outstanding at year-end, if any, are reported as committed or assigned fund balance since they do not constitute expenditures or liabilities.

NOTE 2. BUDGET AND ACTUAL COMPARISONS

The Budgetary Comparison Schedule for the General Fund is required to be prepared under the basis of accounting used in preparing the budget, which is the modified accrual basis of accounting. Current year encumbrances are treated as expenditures for budgetary purposes. In addition, for budgetary purposes insurance proceeds and proceeds from the sale of capital assets are treated as miscellaneous revenue, whereas for GAAP purposes such items are treated as other financing sources. As a result, General Fund revenue reported in the budget and actual statement differs from the corresponding amount reported on the basis of U.S. generally accepted accounting principles. The differences can be reconciled as follows:

	<u>Revenue</u>	<u>Expenditures</u>
GAAP basis	\$ 10,045,570	\$ 9,773,773
Prior year encumbrances	-	(87,500)
Insurance proceeds	(18,525)	-
Proceeds from sale of capital assets	(180)	-
	<u>\$ 10,026,865</u>	<u>\$ 9,686,273</u>

Total OPEB liability as a percentage of covered-employee payroll	N/A	N/A			

Changes in Assumptions

The discount rate for the applicable years were as follows:

September 30, 2017 measurement date	3.50%
September 30, 2018 measurement date	3.83%
September 30, 2019 measurement date	2.75%
September 30, 2020 measurement date	2.41%
September 30, 2021 measurement date	2.19%
September 30, 2022 measurement date	4.40%
September 30, 2023 measurement date	4.63%
September 30, 2024 measurement date	3.88%

There are no assets accumulated in a trust that meets the criteria of GASB codification P22.101 or P52.101 to pay related benefits for the OPEB plan.

For 2020, changes were made since the prior valuation dated December 12, 2018 to the demographic assumptions, medical trend, and discount rate. The changes were based on FRS experience study, updated Society of Actuaries trend model with elimination of the Cadillac Tax, and current 20-year GO bond rates. For 2022, changes were made since the prior valuation dated November 2, 2020 where the healthcare cost trend assumption was updated based on the latest Getzen model released by the Society of Actuaries (SOA) in November 2021; the mortality improvement scale assumption was updated to MP-2021 to reflect more recently published data by the SOA; the disability decrement assumption was updated for Special Risk employees to reflect the assumption change in the FRS Pension Plan Actuarial Valuation as of July 1, 2022; the salary scale assumption was updated to be consistent with that used in the FRS Pension valuation; and the election assumption was updated from 40% to 60% to be consistent with other access only pre-Medicare OPEB plans in the Florida public sector with more credible populations.

This schedule is intended to show information for 10 years. However, until a full 10-year trend is compiled, information will be presented for those years for which information is available.

TOWN OF JUNO BEACH, FLORIDA

STATISTICAL SECTION

This part of the Town of Juno Beach's Annual Comprehensive Financial Report presents detailed information as a context for understanding what the information in the financial statements, note disclosures, and required supplementary information says about the Town of Juno Beach's overall financial health.

Contents

Financial Trends.....	59
-----------------------	----

These schedules contain trend information to help the reader understand how the Town's financial performance and well-being have changed over time.

Revenue Capacity.....	63
-----------------------	----

These schedules contain information to help the reader assess the Town's most significant local revenue source, the property tax.

Debt Capacity.....	68
--------------------	----

These schedules present information to help the reader assess the affordability of the Town's current levels of outstanding debt and the Town's ability to issue additional debt in the future.

Demographic and Economic Information.....	70
---	----

These schedules offer demographic and economic indicators to help the reader understand the environment within which the Town's financial activities take place and to help make comparisons over time and with other governments.

Operating Information	73
-----------------------------	----

These schedules contain information about the Town's operations and resources to help the reader understand how the information in the Town's financial report relates to the services the Town provides and the activities it performs.

Sources: Unless otherwise noted, the information in these schedules is derived from the Annual Comprehensive Financial Reports for the relevant year.

OTHER INDEPENDENT AUDITOR'S REPORTS

This page is intentionally left blank.

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL
REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT
OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH
GOVERNMENT AUDITING STANDARDS**

Honorable Mayor and Members of the Town Council
Town of Juno Beach, Florida

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities and the major fund of the Town of Juno Beach, Florida, as of and for the year ended September 30, 2024, and the related notes to the financial statements, which collectively comprise the Town of Juno Beach, Florida's basic financial statements and have issued our report thereon dated March 11, 2025.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Town of Juno Beach, Florida's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Town of Juno Beach, Florida's internal control. Accordingly, we do not express an opinion on the effectiveness of the Town of Juno Beach, Florida's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Town of Juno Beach, Florida's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S MANAGEMENT LETTER

Honorable Mayor and Members of the Town Council
Town of Juno Beach, Florida

Report on the Financial Statements

We have audited the financial statements of the Town of Juno Beach, Florida, as of and for the fiscal year ended September 30, 2024, and have issued our report thereon dated March 11, 2025.

Auditor's Responsibility

We conducted our audit in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States; and Chapter 10.550, Rules of the Auditor General.

Other Reporting Requirements

We have issued our Independent Auditor's Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with *Government Auditing Standards* and Independent Accountant's Report on an examination conducted in accordance with AICPA Professional Standards, AT-C Section 315, regarding compliance requirements in accordance with Chapter 10.550, Rules of the Auditor General. Disclosures in those reports, which are dated March 11, 2025, should be considered in conjunction with this Management Letter.

Prior Audit Findings

Section 10.554(1)(i)1., Rules of the Auditor General, requires that we determine whether or not corrective actions have been taken to address findings and recommendations made in the preceding financial audit report. No findings and recommendations were made in the preceding financial audit report.

Official Title and Legal Authority

Section 10.554(1)(i)4., Rules of the Auditor General, requires that the name or official title and legal authority for the primary government and each component unit of the reporting entity be disclosed in this Management Letter, unless disclosed in the notes to the financial statements. This information was disclosed in Note 1 to the financial statements. There were no component units included in the Town of Juno Beach, Florida's financial statements.

Financial Condition and Management

Sections 10.554(1)(i)5.a. and 10.556(7), Rules of the Auditor General, require us to apply appropriate procedures and communicate the results of our determination as to whether or not the Town of Juno Beach, Florida met one or more of the conditions described in Section 218.503(1), Florida Statutes, and to identify the specific condition(s) met. In connection with our audit, we determined that the Town of Juno Beach, Florida did not meet any of the conditions described in Section 218.503(1), Florida Statutes.

Pursuant to Sections 10.554(1)(i)5.b. and 10.556(8), Rules of the Auditor General, we applied financial condition assessment procedures for the Town of Juno Beach, Florida. It is management's responsibility to monitor the Town of Juno Beach, Florida's financial condition, and our financial condition assessment was based in part on representations made by management and review of financial information provided by same. Our assessment was done as of the fiscal year-end. The results of our procedures did not disclose any matters that are required to be reported.

Section 10.554(1)(i)2., Rules of the Auditor General, requires that we communicate any recommendations to improve financial management. In connection with our audit, we did not have any such recommendations.

Special District Component Units

Section 10.554(1)(i)5.c, Rules of the Auditor General, requires, if appropriate, that we communicate the failure of a special district that is a component unit of a county, municipality, or special district, to provide the financial information necessary for proper reporting of the component unit within the audited financial statements of the county, municipality, or special district in accordance with Section 218.39(3)(b), Florida Statutes. In connection with our audit, we did not note any special district component units that failed to provide the necessary information for proper reporting in accordance with Section 218.39(3)(b), Florida Statutes.

Additional Matters

Section 10.554(1)(i)3., Rules of the Auditor General, requires us to communicate noncompliance with provisions of contracts or grant agreements, or abuse, that have occurred, or are likely to have occurred, that have an effect on the financial statements that is less than material but which warrants the attention of those charged with governance. In connection with our audit, we did not note any such findings.

Purpose of this Letter

Our Management Letter is intended solely for the information and use of the Legislative Auditing Committee, members of the Florida Senate and the Florida House of Representatives, the Florida Auditor General, Federal and other granting agencies, the Town Council, and applicable management, and is not intended to be and should not be used by anyone other than these specified parties.

INDEPENDENT ACCOUNTANT'S REPORT

Honorable Mayor and Members of the Town Council
Town of Juno Beach, Florida

We have examined the Town of Juno Beach, Florida's compliance with Section 218.415, Florida Statutes during the year ended September 30, 2024. Management of the Town of Juno Beach, Florida is responsible for the Town of Juno Beach, Florida's compliance with the specified requirements. Our responsibility is to express an opinion on the Town of Juno Beach, Florida's compliance with the specified requirements based on our examination.

Our examination was conducted in accordance with attestation standards established by the AICPA. Those standards require that we plan and perform the examination to obtain reasonable assurance about whether the Town of Juno Beach, Florida complied, in all material respects, with the specified requirements referenced above. An examination involves performing procedures to obtain evidence about whether the Town of Juno Beach, Florida complied with the specified requirements. The nature, timing, and extent of the procedures selected depend on our judgement, including an assessment of the risks of material noncompliance, whether due to fraud or error. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion.

We are required to be independent and to meet our other ethical responsibilities in accordance with relevant ethical requirements relating to the examination engagement.

Our examination does not provide a legal determination on the Town of Juno Beach, Florida's compliance with the specified requirements.

In our opinion, the Town of Juno Beach, Florida complied, in all material respects, with Section 218.415, Florida Statutes for the year ended September 30, 2024.

This report is intended solely for the information and use of the Legislative Auditing Committee, members of the Florida Senate and Florida House of Representatives, the Florida Auditor General, applicable management, and the Town Council, and is not intended to be and should not be used by anyone other than these specified parties.
