January 12, 2026

Honorable Mayor and Members of the City Council
City of Jonesboro, Georgia

I herewith transmit our Fiscal year 2026 (FY26) Proposed Budget for the City of Jonesboro. After communication with our Mayor, City Council Members relative to budget priorities and individual meetings with Department Heads This being the final budget I am presenting to

City Council: it is balanced and responsible. This budget makes substantial new investments in infrastructure repairs, public safety, and the replacement of aging equipment and vehicles.

As your Mayor, I am proud to present a fiscal plan to sustain and advance a healthy and forward-looking city government. With the FY26 budget, we did not have to use Fund Balance to balance the budget, so we were able to place \$174,440 in Contingencies.

I am presenting you with a balanced \$8,740,609 General Fund budget that achieves the following:

- Increase of the Millage Rate from 8.5 to 9.0
- Freezing of positions and restructuring of staffing needs
- 4% Across the Board COLA Increase for Employees
- Funding for Public Works Vehicle replacement and repairs
- Lease provisions for Police Department vehicles
- Debt Service for ongoing Capital Improvement Projects from SPLOST proceeds

The proposed spending plan maintains existing services, provides long term funding for future projects, and advances the City's strategic direction in public safety and education, at a property tax rate below revenue neutral. Efficient management across the organization, coupled with a focus on strategic goals, has enabled your Executive Team to bring this proposed budget to the City Council for its consideration.

Sincerely,

A handwritten signature in black ink, appearing to read "Donya L. Sartor".

Dr. Donya L. Sartor, Mayor
