Email Address: mkovoun@prestwickcompanies.com Telephone: 470.925.0270

PROJECT INFORMATION:

drawbacks. We have decided to eliminate balconies from risk of falls, particularly since this community is family-original tenants are likely to have children. Additionally, balconies with overflow items such as bicycles, gardening supplies, decorations, creating further challenges for our managem. VARIANCE REQUEST 1. What are the extraordinary and exceptional conditions pertaining to the particular property in question because of Its size, shape or topography that are not appliands or structures in the same district. The buildings are being developed on the difficult site with extreme topography, wetlands buffers. 2. List one or more unique characteristics that are generally not applicable to simproperties. This property will offer reduced rents as a part of LIHTC program administered by DCA.	balconies		
 What are the extraordinary and exceptional conditions pertaining to the partice property in question because of its size, shape or topography that are not appliands or structures in the same district. The buildings are being developed on the difficult site with extreme topography, wetlands buffers. List one or more unique characteristics that are generally not applicable to simproperties. This property will offer reduced rents as a part of LIHTC program administered by DCA. Provide a literal interpretation of the provisions of above referenced chapter as would deprive the applicant of rights commonly enjoyed by other properties of which the property is located. The zoning code requires six-foot-deep exterior porches and balconies. However, adding would extend each building by 12 feet, making it impossible to avoid encroachments into six properties. 	Although balconies provide certain advantages, they also present notable drawbacks. We have decided to eliminate balconies from our designs due to the risk of falls, particularly since this community is family-oriented and our future tenants are likely to have children. Additionally, balconies often become cluttere with overflow items such as bicycles, gardening supplies, and seasonal decorations, creating further challenges for our management company.
