Andrew had worked with 2 previous city managers and 2 finance directors regarding the outstanding amount and had planned to pay \$50,000 a year to pay off the outstanding monies. This arrangement had not gone into effect nor had we anything in writing. As a result, the amount is still being held until an agreement can come into effect.

Andrew said that the McDonough location did not have the utility overheads, and they paid a booth fee rather than an actual brick and mortar location.
  - C. 217 N. Main St. Roof.** Andrew was concerned about the lack of repair. Bryan and Santia said they would like to come and see it in person. They will report back to the board.
  - D. Main Street Membership Rates for 2025.** After discussion with Maria and Andrew regarding the membership going down in 2024, the board decided to not change the fees. Santia and Tammary discussed bringing value to the membership. Jule made the motion to retain the current fee structure and Trina seconded the motion. The vote was unanimously passed.
  - E. Juneteenth Celebration Entertainment Invoices.** Andrew explained the need for the board to vote on the Juneteenth Celebration invoices as according to the bylaws Andrew had a \$200

maximum amount to authorize. Andrew suggested that the amount be reviewed at the annual meeting to discuss amendments and changes to the bylaws. Donya made the motion to accept the invoices presented and Trina seconded. The vote was unanimously passed.
