RESULT: OLD BUSINESS

- F. Council to discuss Hydration Stations at Lee Street Park.

Mayor Pro-Tem Miller led the discussion regarding the need for water at Lee Street Park. She provided two options that could be done over the next two weeks.

Option 1 - Hire someone to work in the concession stand to refill individual's water bottles. The hours would be 12:00 p.m. to 6:00 p.m. on weekdays and 11:00 a.m. to 7:00 p.m. on the weekend. This is the higher cost option. A 10-gallon suspensor total cost is up to \$9,500.00.

Option 2 - A monitored station that would be monitored two to three times per day to make sure it is full. Cost ranges from \$2,500.00 to \$5,000.00.

Councilmember Fox asked what the long-term costs for fixing the water fountains. Mayor Sartor shared it started with COVID when the water fountains were turned off. Director Heard said the underground pipes need to be fixed. Mayor Sartor said she would have to ask Karen where the funds would come from. Personal Savings or worst-case scenario, Contingency.
