RE: Lighting Additions Proposal

June 24, 2026

Dear Mayor Sartor,

Thank you for allowing Georgia Power the opportunity to serve your energy and site lighting needs in the City of Jonesboro. This proposal reflects two projects, as requested.

- Additional light poles and fixtures at the Amphitheater
- Lighting upgrade for the basketball/tennis/pickleball sports lighting.

Scope of Work – Amphitheater Poles & Fixtures

- Install 2 new black, 35' tapered aluminum, direct bury poles
- Install 4 new 370 watt LED flood fixtures by Cooper Lighting
- Install a new lighting contactors, breakers, key operated on/off switch, as well as approximately 480' of new underground conductor, by directional bore

Individual Purchase Price - Amphitheater

Turnkey purchase price of this installation = \$48,915.38

Scope of Work – Sports Lighting Upgrade

- Remove 24 existing light fixtures and 8 customer owned wooden poles
- Install 8 new black, tapered aluminum poles
- Install 24 new 540 watt 67,000 lumen, USSL fixtures by Cooper Lighting
- Install a new lighting contactors, breakers, time switch, key operated on/off switch, as well as replacement of 200' of failed underground conductor and conduit on the existing system.

Individual Purchase Price – Sports Lights

Turnkey purchase price of this installation = \$131,168.09

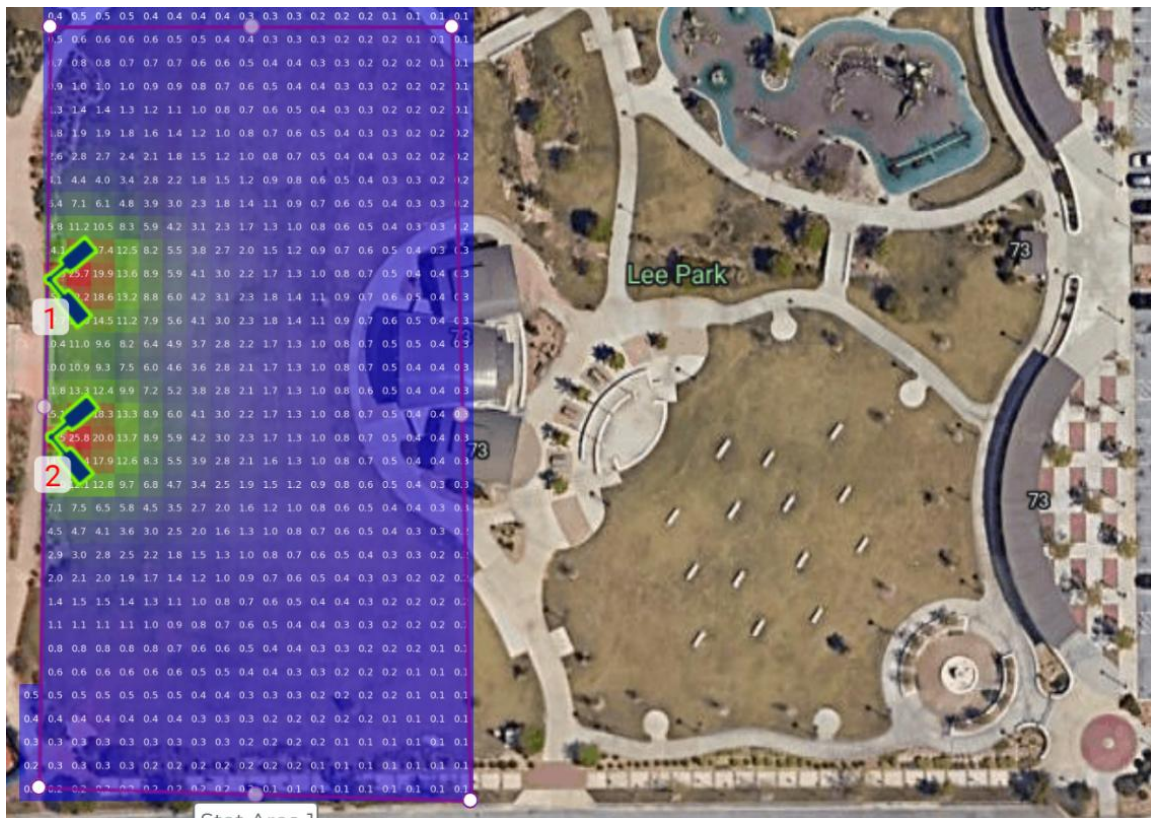

The turnkey purchase options will include a 12 month warranty of the newly installed components for material and workmanship, but will not include any future maintenance.

Combined Purchase Price – Amphitheater & Sports Light Upgrade

Turnkey purchase price of this installation = \$173,703.20

Photometric Overview – Amphitheater Installation

Please let me know if you have any questions and how you would like to proceed.
This proposal is valid for (30) days from the above date.

Sincerely,

Joe Cobb
