**VIII. PUBLIC COMMENTS (PLEASE LIMIT COMMENTS TO THREE (3) MINUTES)**

James Henderson (Jonesboro Resident) – Mr. Henderson reflected on Jonesboro's history, sense of community, and how close-knit neighborhoods once were. He emphasized that strong neighborhood connections have faded over time. He proposed reestablishing a community-focused event—similar to past "Jonesboro Day" celebration to reunite long-time residents and neighborhoods, encourage civic pride, and increase community involvement. He suggested holding the event on August 22, 2026, potentially at Lee Street Park, and expressed interest in working with city staff and committees to explore logistics and inclusivity through both citywide and smaller neighborhood-based activities.

**Councilmembers Alfred Dixon and Cameron Dixon entered the meeting at 6:25 p.m.**

The properties consist of 29.14 +/- acres. The request seeks approval to allow

encroachment into the required stream buffer to accommodate the proposed development. Director Akuta stated the applicant is requesting a variance to allow covert crossing to provide vehicular access and extended utilities to a portion of the site that would otherwise remain inaccessible. The site contains an existing creek that limits access, utilities, and overall site design due to stream buffer constraints.

**D. Council to consider releasing a Request for Proposal (RFP) for Sanitation Services.**

Mayor Sartor said she would like to release the RFP this week and work with City Attorney Wiley regarding the length of time, a question day, and a final date. She further stated, “this does not mean that we are selecting sanitation, but feel it’s worth seeing the options, cost analysis, and once it comes in, there would be a better discussion.” “We will have numbers on what we are spending, trash truck replacement, and be able to have a true comparison.”

Director Heard announced plans to release a Request for Proposals (RFP) for Sanitation Services. He said this action is informational only. Therefore, it does not require Council’s vote, as approval is only needed when awarding a contract. He stated the purpose of issuing the RFP is to gather cost proposals and service options to allow for an accurate financial comparison, including sanitation operations, staffing, equipment replacement, landfill costs, and insurance impacts.

Staff noted significant operational challenges within Public Works, including limited staffing, reliance on a single CDL driver, and aging equipment. Outsourcing is being explored as a possible option to relieve staff pressures while maintaining service levels.

Councilmember Fox expressed concerns about public apprehension regarding outsourcing sanitation services and requested better public communication. Director Heard responded by stating meaningful public engagement would occur once concrete data is available and agreed to provide a public update—such as a social media post—to clarify that the RFP is exploratory and that community input would be part of the process moving forward.

**XIII. NEW BUSINESS**

**RESULT: Approved (Vote was unanimous) – The motion was rescinded**  
**MOVER: Mayor Pro-Tem Miller**  
**SECONDER: Councilmember A. Dixon**

City Attorney Wiley stated there should be one motion instead of two regarding the grant Resolution and MOU since they both go hand-in-hand. Mayor Pro-Tem Miller rescinded her previous motion.

A new motion was made regarding the above original language to consider approval of a Resolution regarding the Acceptance of \$125,000.00 Grant from the American Beverage Foundation for a Healthy America (ABFHA) Nutrition Access, Affordability and Education Grant Program and Approval of a Memorandum of Understanding with The Salvation Army, Jonesboro Citadel Corps.

**RESULT: Approved (Vote was unanimous)**  
**MOVER: Mayor Pro-Tem Miller**  
**SECONDER: Councilmember Curney**

**B. Council to discuss resolution protocol regarding JYCG.**

Councilmember A. Dixon led the discussion. Mayor Sartor asked Councilmember A. Dixon to bring the resolution back at the next meeting in the proper format, as approved by the City Clerk, for her signature. She indicated minor word changes could be made and clarified. Mayor stated she had no issue approving the item; however, she would not approve it in its current format, noting that the Clerk's Office has a standard format that must be followed. Based on the structure of Jonesboro's governing body, all resolutions require approval from the Mayor along with following the City's governing process/protocol.

**RESULT: OLD BUSINESS 05/04/2026**

**C. Council to discuss the Community Stroll Social event.**

Mayor Sartor stated that she had approved the request to move forward and Police Chief Cato was working with the applicant in regard to appropriate street closures (Courthouse Way and Court Street). Officer(s) would be needed for the event along with additional fee(s) for public safety officer(s). Payment would be due to City Hall by 5:00 p.m. one day before the event. It was clarified that this was not a City sponsored event.

A motion was made to approve street closure of Courthouse Way on April 25, 2026 at 12:00 p.m. to 8:00 p.m. instead of 3:00 p.m. to 7:00 p.m.

**RESULT: Approved (Vote was unanimous)**  
**MOVER: Councilmember A. Dixon**  
**SECONDER: Councilmember C. Dixon**

Mayor Sartor recommended there be at least one paid police officer (depending on the numbers) during the above-mentioned duration of time.

**D. Council to discuss and consider approval of a Pavement Condition Survey.**

Director Heard led the discussion. He recommended the quote he received from IMS at \$30,025.00. Finance Director Slaton-Dixon recommended pulling the funds from the prior year since it was not an approved item before the budget was approved. Mayor Sartor asked City Attorney Wiley if this would be considered infrastructure and if approved the first thing that would be reviewed is funding from SPLOST. Director Cole said there are payment funds that could be used as well....such as LMIG or LRA funds based on what the City received.

Director Heard clarified that \$36,000.00 would include pavement, stripping, marking points, posts that the signs sit on, streets, trees impeding into the right-of-way, etc.

A motion was made to approve \$39,000.00.
