Tara Boulevard Corridor

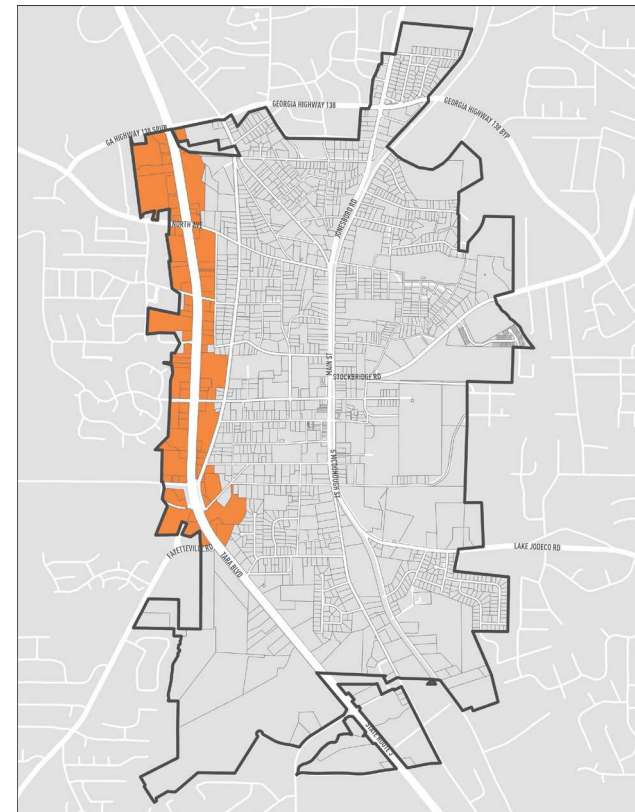

The Tara Boulevard corridor is the main commercial corridor within Clayton County. It contains many commercial and government uses. While this area is only partially within Jonesboro, many people associate it with the City and they view it as the main commercial thoroughfare within the city.

Uses:

- Commercial/Retail
- Office/Institutional
- Government
- Light Industrial

Implementation Measures:

- All development should be well-connected by access roads, interparcel connections, and shared drives.
- Complete and integrate pedestrian improvements and crosswalks throughout the corridor.
- Promote high standards of architecture, landscaping, and sign controls to improve corridor appearance and maintain traffic speeds and capacity through access management and inter-parcel access.
- Discourage additional curb cuts onto Tara Boulevard.
- Connection to the future MARTA Bus Rapid Transit (BRT) alternative along State Route 54 Corridor must be considered.
