**RE: Letter of Intent 239 South Main Street**

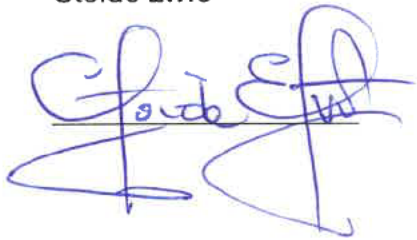

To whom it May Concern

This letter is being prepared to outline the propose intending use of 239 south Main Street,

The property is currently an auto repair shop formerly JW Auto Repairs, the proposed intended use is to remain as an auto repair shop as it has been for the past 40 years. The current building is a 6-bay garage with office and bathrooms. The facility has always been a fixture in the community providing automobile care and repairs. My intention is to continue serving this expanding community with light car repair services.

Sincerely.

Cloide Elvie
