**MOVER: Councilmember A. Dixon**  
**SECONDER: Councilmember Curney**

## XII. OLD BUSINESS

- A. Council to consider the City's revised Procurement Policy and Ordinance 2026-04.

The updated Procurement Policy was distributed to Mayor and Council.

City Attorney Wiley led the discussion. She spoke regarding the change (page 9) that was made during the February 2, 2026 Work Session to the column that reads \$2,500.00 - \$9,999.99. The approval entities are the Department Directors and the City Manager, instead of City Council.

City Attorney Wiley noted in the absence of a City Manager and per the Ordinance, the Mayor would be the Chief Procurement Officer due to her being the CEO. Mayor Sartor stated nothing can be approved for any amount if there is no allocated funding in the line item.

Councilmember Messick recommended the following changes:

Section 4: Purchasing Levels and Processes - \$10,000.00 to \$49,999.99.

City Council to be added as an approver. Council discussed and agreed on the changes below.

- Approval entities would be Department Directors, City Manager, and Council's approval for \$10,000.00 to \$49,999.99 when outside of the scope of the budget.

Mayor Sartor noted the above is okay since there is a clause regarding emergencies wherein the City may go over the above-mentioned amount.

Section 3: Administrative Structure & Authorities.

- The City Council to be consulted for approvals over \$10,000.00 (seeking consistency through the policy and the ordinance).

Section 6: Purchasing Orders (PO).

- Add City Council's approval, if over \$10,000.00.

Section 16: Purchasing Card Program:

- Clarification was provided by Mayor Sartor to Councilmember Messick on how the program would work. Councilmember Messick requested an updated list of who's holding the P-Cards. Also, she asked if the purchase activity would be included in the monthly financial report. Mayor Sartor advised that it is open recordable, but some of the information would have to be redacted, such as the card number. City Attorney Wiley stated that the P-Card activity is not normally a part of the monthly financial report.

Training:

- Councilmember Messick wanted to know if there would be any training provided online or in-person for staff and City Council regarding the procurement system. At this time, a date was not determined.

Section 19: Risk Management and Internal Controls:

Councilmember Messick recommended a change to the last sentence under Section 19.1 Segregation of Duties. She said the City Manager should present to Mayor and Council any changes or delegations regarding processes and procedures. Councilmember Messick stated that it currently reads as if the City Manager can make changes without consulting the Mayor or the Council. Recommended better verbiage. Mayor Sartor clarified that this sentence does not mean the City Manager would change something. The City Manager would have authority to implement processes and procedures to ensure compliance with this section. A person would have to be on site to implement and follow the processes. Council agreed. Therefore, no changes were made to this section.

Councilmember Messick asked if the Procurement Policy and Procedures have been shared with the Finance Director, Karen Slaton-Dixon, and does this fall in line with her current contract. Mayor Sartor said this is consistent with her current job description. City Attorney Wiley said the policy is to put guardrails and processes in place which will make her job easier.

Councilmember Fox recommended tabling the item in order to allow more time to review the policy. She recommended that Council be more involved in the process due to the absence of a City Manager. Councilmember Messick asked if Councilmember Curney could amend her motion to table the item until Council have time to review the policy along with the suggestions. Councilmember Curney replied "No."

Councilmember Curney amended her motion for any Bids/Proposals & Forms that's between \$10,000 to \$49,999.99 (#2.) to read Contract as appropriate and approved by City Manager and City Council. This motion included all of the above recommended changes as well.

**RESULT: Approved with noted changes (Vote was unanimous)**

**MOVER: Councilmember Curney**

**SECONDER: Councilmember A. Dixon**

Mayor Sartor stated, "next week I will be attending a three-day training along with Director Akuta and look forward to the City getting a really good procurement system so the City can move forward, especially since it's going to be funded initially by the grant."

**B. Council to consider approval and adoption of Ordinance 2026-01 To Adopt FY 2026 Budget For Each Fund To The City of Jonesboro.**

At this time, no one made a motion to approve the budget.

Mayor Sartor asked again if anyone wanted to make a motion to approve FY26 Budget. City Attorney Wiley noted that “the City’s Charter requires that you approve a budget each year.” “It’s in your Charter and in the event one is not approved, you continue operating under an expired budget.” “I will remind Mayor & Council that you had the Public Hearing preceding today’s requested action.”

Councilmember A. Dixon made a motion to add an additional \$3,000.00 to JYCG (line-item 10) which would make it a total of \$15,000.00. He included in his motion for the \$3,000.00 to be taken from City Events (line-item 58).

Mayor and Council had discussion regarding JYCG line-item and a few other line-items. Councilmember A. Dixon amended his motion to include all of Mayor and Council’s changes mentioned below:

- JYCG (line-item 10) increased from \$12,000.00 to \$15,000.00 per Councilmember A. Dixon
- City Events (line-item 58) decreased from \$70,000.00 to \$68,000.00 per Mayor Sartor
- Economic Development Main Street (line-item 87) decreased from \$15,000.00 to \$12,000.00 per Mayor Sartor.
- Newsletter (line-item 9) increased from \$3,000.00 to \$10,000.00 per Councilmember Fox
- Special Events (line-item 73) decreased from \$20,000.00 to \$15,000.00 per Mayor Sartor

Councilmember Miller asked if the following items were included in the budget along with a 4% raise for staff:

- Overtime issue with Public Works Department
- Increase in pay for staff members that accomplished certain certifications in their field or increased their level of education on their subject matter

Mayor Sartor stated, “this is a starting point and when there is a need for additional purchases or account for promotion, we’ll just come back before Council and look at cost savings across the budget and make those adjustments/budget amendments.”

**RESULT:       Approved with noted changes (Vote was 5 to 1)**  
**MOVER:        Councilmember A. Dixon**  
**SECONDER:    Mayor Pro-Tem Miller**  
**AYES:         Mayor Pro-Tem Miller; Councilmembers A. Dixon, C. Dixon, Fox, and Messick**  
**NAYS:         Councilmember Curney**

**C. Council to discuss updated information regarding the forensic audit.**

City Attorney Wiley led the discussion regarding a \$15,000.00 bill the City paid to Plante & Moran, PLLC for phase one of the audit. Recently, the City received a bill for phase two in the amount of \$45,000.00. The invoice was not paid because there was no itemization (for transparency purposes) of how the \$45,000.00 was accumulated. City Attorney Wiley said she was told by Plante Moran that they do not give itemized bills and that they stop doing itemized bills about 10 years ago. Plante Moran said the City would get a report at the end of the audit. Mayor Sartor said in November 2024, she asked Michelle McHae-Adams of Plante Moran to provide an itemized copy. Therefore, she believes that Michelle knew the City’s expectation was to receive an itemized copy of the bill. The bill stated 92 hours = \$45,000.00. However, if you multiply the medium rate times 91 hours, it still does not equal \$45,000.00.

City Attorney Wiley further discussed the following matters:

- No itemized billing provided to explain the work corresponding with the amount that the City is being charged.
- Billable hours explanation vs. retainer fee
- Scope of Work. Developing the scope vs. talking to individuals, elected officials and getting their concerns, and from this point the auditor develops a Plan of Action
- Forensic Audit projected to end around February 26, 2026
- Will probably receive an additional \$45,000.00 to \$60,000.00 to finish phase three...totaling over \$100,000.00 (Per Mayor Sartor, prior Council only agreed to allocate \$30,000.00 more in funds)
- Attorney Client Privilege Information vs. Audit is not privileged and is open recordable

Councilmember Messick asked City Attorney Wiley to send Council a copy of Plante Moran's original agreement. Also, she requested that Michelle from Plante Moran come to the March Council Meeting to present her findings. It was further noted that monthly updates were not being provided on a regular basis to Council.

Lastly, City Attorney Wiley said she would speak with Plante Moran about the report. Mayor Sartor asked Council if they wanted to approve the unitemized \$45,000.00 bills. No action was taken at this time.

### **XIII. NEW BUSINESS**

#### **A. Council to discuss FY23 Audit Report.**

Financial Auditor, Mr. Lee Tab of Tab & Tab (Certified Public Accountants) introduced himself and gave a presentation on the following:

- Highlights of the 2023 Annual Financial Statements
- Reportable Findings and Recommendations
- Letter to Governance

Mr. Tab highlighted the importance of understanding governmental accounting. The audit consisted of 97 pages (full disclosure) of all of the City's finances for 2023. He said the City had a really good year in 2023.

#### **Councilmember C. Dixon left the meeting at 7:31 p.m. and returned at 7:34 p.m.**

Councilmember Messick asked for a copy of the FY23 Audit Report.

In conclusion, there were three (3) findings, in which one of them was the City being late on completing the FY23 Financial Audit. Mr. Tab said it is important to have people in place who can understand how to do government accounting and book transactions correctly.

Mayor Sartor said the procurement policy that the City is currently working on will be very beneficial along with the assistance of the Finance Director Slaton-Dixon. The audit report should be ready for distribution in the next 14 days. Lastly, Mr. Tab has already been approved to work on FY24 Financial Audit.

#### **B. Council to discuss updated information regarding Nouveau repairs.**

Mayor Sartor said the emergency repair regarding the 2020 water heater cost the City \$1,000.00. Director Cole spoke to the repair person on Wednesday, and they came out on Thursday. The water heater was repaired on Friday, February 6, 2026. Councilmember Messick asked if the repair of the water heat was the responsibility of the City? Mayor Sartor said she made the decision to pay for it because Nouveau needed hot water. However, if Council want Nouveau to be responsible for the \$1,000.00, it would be at the Council's pleasure. City Attorney Wiley agreed to look over the lease to see who would be responsible

for the cost of the water heater repair (the City, DDA, or Nouveau). Mayor Pro-Tem Miller said going forward, she prefers clarity on the front end as to who would be responsible.

City Attorney Wiley highlighted the importance of having a formal Intergovernmental Agreement vs. the gentleman's handshake. This is necessary to have so it is clear on how it operates. However, there may be some overlapping due to Council being the governing authority. Mayor Sartor said when it is time to clean it up, it will have to be cleaned up 100%. For example: Public Works have been cutting the grass of the DDA building.

Councilmember Fox said according to the lease, the City and the DDA were not responsible for paying the invoice of \$1,000.00. If the City is going to step outside of the lease agreement, then there should be some provisions in place going forward.

#### **XIV. ECONOMIC DEVELOPMENT REPORT**

##### **A. Economic Development Report by Community Development Director Akuta.**

Directors Akuta and Cole led the discussion regarding their reports. (See Agenda Packet)

##### **B. Council to consider approval regarding a Memorandum of Agreement regarding The Local Comprehensive Plan Update Assistance (ARC) subject to legal review.**

Director Cole led the discussion. It was later noted that Attorney Wiley reviewed the agreement on January 29, 2026. A copy of the agreement will be sent to Mayor and Council.

**RESULT: Approved with Conditions/Legal Review (Vote was unanimous)**

**MOVER: Mayor Pro-Tem Miller**

**SECONDER: Councilmember A. Dixon**
