Dear Members of the Zoning Committee,

I am writing to express my intent to utilize the property at **8712 Tara Blvd.** Jonesboro, Ga 30236 as the new home for the **Sherita Cherry Institute**, a licensed beauty school dedicated to empowering future professionals in cosmetology. As an experienced salon owner and industry professional, I have devoted my career not only to excellence in the field but also to mentoring others, raising industry standards, and giving back to the community. This property is ideal for our expansion—it already features well-designed classrooms, abundant electrical capacity to support growth, and **31 parking spaces** that provide convenient access for students and staff. Its layout and infrastructure make it a perfect environment for education, creativity, and career development, allowing us to deepen our impact and establish a permanent home for our growing mission.

Sincerely,
Sherita Cherry
