XII. OLD BUSINESS

- A. ~~Council to discuss chargers for electric vehicles at the City Center and continuing partnership between Envirospark and the City of Jonesboro, Georgia. (Stricken from the Agenda)~~
- A. Council to discuss JYCG Budget Reconciliation.

Councilmember A. Dixon expressed his appreciation to JYCG members for their continued advocacy on behalf of the JYCG program. He addressed the FY 24 funding allocations **never being placed in the JYCG budget**, urging the Council to consider necessary adjustments to ensure the program's ongoing activities. He stated this is time sensitive due to their upcoming Youth Symposium in Savannah, Georgia on September 19-21, 2025. **He stated they have done the work to raise the donations over \$9,122.** He asked **that the council to allocate the remainder funds for that account**

Mayor Sartor replied, "\$9,000.00 may have been raised, but expenses have been made after that." She asked Finance Director Cannady to come forth and speak regarding the matter.

Finance Director Cannady said, "an expense account was set up for years 23, 24, and 25 which means they just budgeted a certain amount of money for that expense." The money received from grants, donations, etc. is flowing through the general fund and it cannot happen like that. This was not set up correctly. She stated, "this is what she was trying to explain to Councilmember A. Dixon." The money has already been budgeted. It's in that line item. She said, "every dime that JYCG received has come in except for the \$250.00 from the Chamber of Commerce in which she has not been able to locate." All of the other money received has been accounted for.

Finance Director Cannady said this needs to be set up as a Special Revenue Fund so that money coming in from grants, sponsorships, etc. is not flowing through the General Fund (expense account). The money would be just for JYCG. If the City decides they want to make donations to this fund, that is fine. The fund would stay open as long as there is money to fund it.

Mayor Sartor asked Councilmember A. Dixon **if he had followed up** with the Chamber of Commerce (Leadership Clayton Class) to see if the check was ever sent to the City. Councilmember A. Dixon said he would follow up with the Chamber of Commerce and Police Chief Cato.

Councilmember A. Dixon inquired about the **\$1,231.23 balance forward saying it means our donations rolled over.** Finance Director Cannady **stated that it did not get rolled over (in the Tyler system) and that it was in a general fund in the expense account.** Finance Director Cannady reiterated that the \$4,800.00 was set up as a budget expense item (in the Tyler system) which means this line item could spend up to \$4,800.00.

Councilmember Miller asked Finance Director Cannady what can be done to fix the pressing issue of ensuring JYCG can attend the upcoming Youth Symposium September 19-21, 2025. The other issue can be fixed on the back end. Mayor Sartor said they have already assured JYCG that staff is working on hotels regarding their trip to Savannah, Georgia. There was a parent meeting, and the parents were assured as well. However, transportation is still pending. Mayor Sartor asked Finance Director Cannady how much money was available for JYCG. She said \$3,200.00.

At this time a motion was made by Councilmember Alfred Dixon for Council to consider approval of a budget amendment in the amount of \$5,021.00 to be transferred from Jonesboro's Newsletter line item to the Jonesboro Youth City Government line item.

Mayor Sartor asked Council to hold off on switching anything from the newsletter until she speak to a specific department. She asked that the total expenses for JYCG trip to Savannah,

Georgia be subtracted from their balance and then allow her to allocate that funding from another line item rather than the entire \$5,000.00.

Mayor Pro-Tem Messick clarified with Finance Director Cannady that she would be creating JYCG own line item for revenue and one for expenses so that this problem does not happen again. Finance Director Cannady said that is what she is doing with Fund 250 (Special Revenue Fund). However, she is working this out with Tyler. Tyler software is not pulling all of the revenues and expenses of Fund 250 into a Revenue and Expense Report.

Mayor Sartor made a motion for Council to consider approval to cover the difference from the \$3,200.00 that is needed for JYCG members to go to Savannah, Georgia and for any other things that JYCG wants to do as they come up rather than just giving \$5,000.00. Also, for JYCG to create a budget for the remainder of the year for approval of additional funding. This motion was not voted upon because there was a previous motion by Councilmember A. Dixon that had to be resolved.

Councilman A. Dixon appreciated Finance Director Cannady for taking the time and stated, "we've been trying to fix this thing for some time now. Since the top of the year. Maybe even longer than that. So I understand where you are as being the one person and juggling different things, but this is something that's been pressing for a long time now." Mayor Pro-Tem Messick asked Mayor Sartor if Councilmember A. Dixon could amend his motion. Councilmember A. Dixon's motion remained the same and the vote was taken regarding the motion below.

Council to consider approval of a budget amendment in the amount of \$5,021.00 to be transferred from Jonesboro's Newsletter line item to the Jonesboro Youth City Government line item.

B. Council to discuss furniture for the Public Works Department.

Finance Director Cannady advised Mayor and Council that \$30,000.00 was in the Public Works furniture GL account (4100-53-1620). Mayor Pro-Tem Messick asked if a budget amendment would be made. Finance Director Cannady said she would need to make a budget amendment to transfer \$16,000.00 from the Street Lighting GL account (4100-53-1231) to the furniture account line item.

A motion was made for Council to consider approval of \$44,759.95 to cover the furniture cost with Corporate Environment.

RESULT: **Approved (Vote was unanimous)**
MOVER: **Councilmember Miller**
SECONDER: **Councilmember D. Dixon**

C. Council to discuss the proposed FY 26 Budget.

Councilmember A. Dixon asked about the adjustment to the JYCG budget line item in the proposed FY 26 Budget, which reflects a 9-millage rate. The JYCG allocation has been reduced to \$4,400 for FY 26. Mayor Sartor said this would give the City \$4,400.00 in contingency. However, her goal is to get at least \$25,000.00 in contingency. She said this budget includes four (4) police officers, two-three (2-3) public works employees, the receptionist, and one Code Enforcement Officer.

Councilmember Miller asked if the Newsletter was in the FY 26 Budget. Mayor Sartor said she think it is because the City still have to pay for postage. She said she will bring the budget back before Council in November so that it can be reviewed again. She will be meeting with each department to identify potential cost-saving measures, with the goal of allocating at least \$25,000.00 to contingency.

D. Council to discuss rental property located at 173 Cloud Street.

Mayor Sartor led the discussion. The property is a three-bedroom, one-bathroom home that is currently vacant. The City will do its National Day of Service on September 11, 2025 in partnership with Lowes at this property. The City of Jonesboro will be closed since this is a national initiative across the country.

There is one applicant (Mr. Clifford of the Public Works Department) that is interested in renting the house. He shared that he has been working with the City of Jonesboro for five (5) years and another city for 13 years. If approved, he would work with the Clayton County (CDBG Department) to do a home ownership purchase and would support the nation's movement towards workforce housing. This would be his first home purchase. Police Chief Cato will also speak with two additional officers to see if they are interested. Mayor Sartor said the selection would be based on seniority.

Mayor Sartor said the rent would range from \$1,100.00 to \$1,300.00 per month. After speaking with the housing authority regarding the down payment assistance program, there may be options such as utilizing a certain percentage of the money to be put into the housing authority which would be utilized towards the closing costs.

E. Council to discuss and consider approval of funds regarding the forensic audit.

City Attorney Dreyer led the discussion. Some of the Council was insistent that the total work does not exceed \$95,000.00 and asked if there was a cap on the dollar amount.

A motion was made for Council to consider approval of an additional \$30,000.00 for the expanded scope as requested by Plante Moran to continue with the forensic audit.

RESULT: **Approved (Vote was 5 to 2)**
