ARC has issued a TIP project solicitation for projects. We are going to submit for resurfacing again for next fiscal year. In preparation for this submittal we have been looking at all the roadways that would qualify for federal funding and S. Main is one we want to submit. We do not want to leave the City out, but we would need the commitment from the City to fund the 20% match for the portion within the City. Do you think this is something the Mayor and Council would support?

Thanks,

Keith Rohling, P.E., PTOE

Book2.xlsx;

This is what we have estimated if that will help with your discussions with the Mayor. Please remember this is a rough estimate. If you round to half a Mil. it looks like the 20% match from the City would be \$100,000.

I need to get this to our BOC by the first meeting in January which means I need to submit the second Monday in December. I need to know what to submit.

Thanks,

Keith Rohling, P.E., PTOE
