Agenda Language:	Council to consider approval to establish the Jonesboro Legacy League under the office of Community Life and include a designated \$25,000.00 allocation in the FY27 Budget to support historic preservation, local history, and community education initiatives.	
Requested Action/Recommendation:		
Requirements for Mayor & Council Action:		
Is this Item Goal Related? Yes. This proposal advances the City's goals of strengthening community engagement, preserving Jonesboro's history, encouraging intergenerational involvement and volunteerism, and expanding educational opportunities for residents. Summary and Background: The Jonesboro Legacy League is proposed as a civic engagement and historic preservation initiative administered through the Office of Community Life. The League will engage seniors, retirees, longtime residents, community historians, and other residents who have knowledge, experience, and time to contribute to Jonesboro.		
Summary and Background: The first-year focus will be specific: preserve Jonesboro's history, document Jonesboro's history, and connect residents to Jonesboro's history. Through historic preservation projects, the Jonesboro History & Archives Project, and community history and education initiatives, the Legacy League will help preserve local stories, photographs, documents, places, and institutional knowledge for future generations.		
Fiscal Impact: Fiscal Impact: \$25,000 \$12,500 - Historic Preservation Projects \$7,500 - Jonesboro History & Archives Project \$5,000 - Community History & Education The allocation will be designated within the FY2027 Office of Community Life budget. The Office will serve as the administrative home; this funding supports Legacy League programming and preservation work and does not establish a separate City department.
