(Update) RE: J2 Connect – Fountain Assessment Update

From Blue Cole <bcole@jonesboroga.gov>

Date Thu 6/11/2026 10:56 AM

To Marcus Heard <MHeard@jonesboroga.gov>; Donya Sartor <dsartor@jonesboroga.gov>

Cc City Manager <citymanager@jonesboroga.gov>; Mayor of Jonesboro <mayor@jonesboroga.gov>

We have a couple of options:

Decide this is an emergency repair (No water, hot weather, mayor/council request) and proceed with one quote.

Then we should decide if we want to replace all three (~30,000), or repair where we can. Repair price quoted so far is \$2-5,000 per fountain.

J2 sent a quote for total replacement \$27,600

There is a repair one/replace two quote for ~\$21,000

Plumb All sent a quote for total replacement - \$42,000

Plumb All can repair, but will require a diagnostic fee per fountain (250-350)

Delta Plumbing is enroute.

Thanks

Blue

Subject: Re: J2 Connect – Fountain Assessment Update

I turned it off. We are in the process of having plumbers come out to give us cost for repairs.
