## City of Jonesboro Security Proposal

10/18/25 (rev 1) updated 12/18/25

**Mr. Tran**  
**100 Gloria Drive**  
**Jonesboro, Ga. 30236**  
**Mobile: 404-542-7272**  
[vtran@jonesboroga.gov](mailto:vtran@jonesboroga.gov)

### Security system proposal:

- 01) Honeywell Vista 128FBPT control panel
- 01) Honeywell LTEM-PXV cellular back up system
- 02) Honeywell 6160 English keypad
- 04) Honeywell commercial grade man door contacts
- 05) Honeywell commercial grade overhead door contact
- 04) Honeywell commercial grade motion detectors
- 01) Honeywell siren
- 01) Honeywell A/C transformer
- 01) Yuasa 7amp back up battery
- All necessary wire and connectors
- All necessary labor to install, program, test and demonstrate system
- 01) year warranty on all parts and labor

**24 hour central station monitoring with cellular/IP communications and Total Connect for remote arm/disarm is \$40.00 per month.**

### Fire devices system proposal: Optional:

- 04) Honeywell smoke detectors (office area)
- 04) Honeywell heat detectors (shop area)
- All necessary wire and connectors
- All necessary labor to install, program, test and demonstrate system
- 01) year warranty on all parts and labor

### **CCTV system proposal:**

This is a Honeywell camera system with a total of (14) cameras – you have room to add (2) more cameras in the future on this 16 channel NVR

- 01) Honeywell 16 channel NVR with 8TB
- 01) Honeywell software kit for Honeywell NVRs (with apps)
- 01) Connection of new NVR to internet for remote viewing with all APPS
- 04) Honeywell 5MP dome cameras
- 10) Honeywell 5MP bullet cameras
- 10) Honeywell junction boxes/back boxes for bullet cameras
- 01) Honeywell 24" LED camera monitor with HDMI cable
- 01) UPS back up
- All necessary Honeywell back boxes/mounts for each camera
- All necessary Cat6 wire and connectors
- All necessary labor to install, program, test and demonstrate system
- 01) year warranty on all parts and labor

### **Access Control system proposal:**

This is a Honeywell access control system to control two doors. This system can grow to as many doors as you want, even at other locations. This is the same exact system that we have installed for the City of Forest Park and Fayette County government and schools. This system works on Honeywell Cloud service, you do not need dedicated computer or software updates, etc...

- 01) Honeywell MPA2 access control panel
- 01) Honeywell power supply / metal can for panel
- 01) Honeywell a/c transformer
- 01) Honeywell back up battery
- 01) Honeywell software
- 01) Connection of system to internet and cloud services
- 02) Honeywell access control reader with numerical keypad
- 02) Honeywell request to exit motions/buttons
- 02) HES or Alarm Controls maglocks or strike locks
- All necessary bundled access wire and connectors
- All necessary labor to install, program, test and demonstrate system
- 01) year warranty on all parts and labor

Monthly Honeywell Cloud charges are \$30.00 per month – this covers both doors listed above.

Note – in the future if you add any more doors to the system on any of your accounts – each door would be an extra \$10.00 per month.

**Telephone/Data jacks proposal:**

01) 24 port patch panel  
01) patch panel wall mount  
24) Cat6 Data/Telephone jacks  
12) 2 port wall plates for the above jacks  
All necessary Cat6 wire and connectors  
All necessary labor to install, program, test and demonstrate system  
01) year warranty on all parts and labor

**Total Price for all installations listed above is----- \$ 24,300.00**

Thank you,

**Ryan Griffith**
