Requesting Agency (Initiator): Karen Slaton-Dixon		Sponsor(s):
Item Title:	Council to consider approval and adoption of a resolution for FY 26 budget adjustments and transfers to clean up various line-items.	
Requested Action: Mayor/Council to approve the transfer of funds and amendment of the FY26 Budget to cover overages in various line items.		
Requirement for Board Action: Approval of adjustments per the Proposed Transfers & Adjustments 10.13.2026		
Is this Item Goal Related? Yes, Innovative Leadership		
Summary and Background: Attached, hereto, are the recommended accounts that need adjusting to allow for the clean-up of the financials. Several accounts are showing in the negative which creates the illusion that funds are being spent without the approval of Mayor/Council. By approving the transfers using the department's accounts that are showing positive, this will present clean financials and prevent the delay in processing payments to the vendors. I have used the Contingency account where there were no accounts within a department to pull from, therefore Mayor/Council (Increase \$3,536), General Administration (Increase \$80,874) and City Center (Decrease \$30,00) annual budget will change. On the attached Proposed Transfer & Adjustment document, you will find my documented accounts & amounts.		
Fiscal Impact: Increase the overall General Fund Budget by \$54,410		
Exhibits Attached: • Budget Resolution 2026-Various Accounts 10.13.2026 • Proposed Transfers 10.13.2026 • Revenue & Expense Report 10.06.2026
