

## PETITION FOR ANNEXATION

### To the Town of Johnstown

(Weld County)

The undersigned, in accordance with Article 12, Chapter 31, C.R.S., as amended, hereby petition the Town Council of the Town of Johnstown, Colorado, for annexation to the Town of Johnstown the unincorporated territory more particularly described below, currently known as WELD COUNTY PARCEL NO. 10591600001, and in support of said Petition, your petitioners allege that:

1. It is desirable and necessary that the following described territory be annexed to the Town of Johnstown, Colorado:

See Exhibit A attached hereto and made a part hereof.

2. Not less than one-sixth (1/6) of the perimeter of that area proposed to be annexed is contiguous with the Town of Johnstown, Colorado.
3. A community of interest exists between the territory proposed to be annexed and the Town of Johnstown, Colorado.
4. The territory proposed to be annexed is urban or will be urbanized in the near future.
5. The territory proposed to be annexed is integrated or is capable of being integrated with the Town of Johnstown, Colorado.
6. The signatures of the Petition comprise one hundred percent (100%) of the landowners of the territory to be included in the area proposed to be annexed and said landowners attesting to the facts and agreeing to the conditions herein contained will negate the necessity of any annexation election.
7. No land held in identical ownership, whether consisting of one tract or parcel of real estate or two or more contiguous tracts or parcels of real estate:
  - a. Is divided into separate parts or parcels without the written consent of the landowner or landowners thereof, unless such tracts or parcels are separated by a dedicated street, road or other public way.
  - b. Comprising twenty (20) acres or more which, together with the building and improvements situated thereon has an assessed value in excess of Two Hundred Thousand Dollars (\$200,000.00) for ad valorem tax purposes to be annexed, without the written consent of the landowner or landowners.

8. No part of the area proposed to be annexed is more than three miles from a point on the municipal boundary, as such was established more than one year before this annexation will take place.
9. The area proposed to be annexed comprises more than ten acres and an impact report as provided in C.R.S. §31-12-108.5, as amended, is required.
10. The area proposed to be annexed is located within Weld County, School District RE 5-J, Northern Colorado Water Conservancy District, Little Thompson Water District, Front Range Fire Rescue Fire Protection District, Aims Junior College District, and Weld County Library District, and no others.
11. The mailing address of each signer, the legal description of the land owned by each signer, and the date of signing of each signature are all shown on this Petition.
12. Accompanying this Petition are four (4) copies of an annexation map containing the following information:
  - a. A written legal description of the boundaries of the area proposed to be annexed.
  - b. A map showing the boundary of the area proposed to be annexed, such map prepared and containing the seal of a registered engineer or land surveyor.
  - c. Within the annexation boundary map there is shown the location of each ownership tract in unplatted land, and if part or all of the area is to be platted at the time of the effectiveness of the annexation (as opposed to after such effectiveness), then the boundaries and the plat number of plots or of lots and blocks are shown.
  - d. Next to the boundary of the area proposed to be annexed is drawn the contiguous boundary of the Town of Johnstown, and the contiguous boundary of any other municipality abutting the area proposed to be annexed.
  - e. The dimensions of the contiguous boundaries are shown on the map.
13. The Town of Johnstown will not have an immediate need to extend any municipal services at the time of annexation, as the territory to be annexed will remain zoned agricultural (H-A). Additionally, because the zoning of the subject property will remain agricultural, and there are no current plans to change such use of the subject property, the historical drainage on the property will remain the same, with the Hillsborough Reservoir generally located to the east of the territory making up Annexation No. 4 and to west of the territory making up Annexation No. 5. *See*, Annexation Map provided with this Petition.
14. The territory to be annexed is not presently a part of any incorporated city, city and county, or town.
15. The undersigned agree to the following conditions, which shall be covenants running with the land, and which shall, at the option of the Town, appear on the annexation map:

- a. Water rights shall be provided as mutually agreed to by the Town and the undersigned; The undersigned specifically agree that they have not sold or transferred any water rights appurtenant to their property within the past year nor will they do so during the pendency of this annexation petition and once annexed to the Town of Johnstown, they will not sell or transfer any water rights appurtenant to the subject property without the prior written approval of the Johnstown Town Council.
- b. The owners shall participate in providing a drainage plan and improvements and payment of a unit drainage fee as may be required by the Town for the area.
- c. The undersigned hereby waive any and all “vested rights” previously created pursuant to Section 24-68-103, C.R.S., as amended.
- d. The undersigned and the Town may enter into an Annexation Agreement prior to the effective date of this annexation, which agreement shall be additional conditions as effectively as if set forth in this Petition.

16. Petitioner represents that: (Check one)

No part of the property to be annexed is included within any site-specific development plan approved by Weld County, Colorado.

A site-specific development plan has been approved by Weld County, Colorado, which has created a vested right.

17. Submitted with this Petition is the required \$ \_\_\_\_\_ .00 for publication costs.
