### WORK SESSION ITEM DESCRIPTION:

In response to the passing of Proposition 122 (Natural Medicine), staff is preparing an ordinance that would amend the Land Use and Development Code to enact local regulations of said facilities and businesses. A Draft Ordinance (Draft) is attached to this communication which proposes certain regulations for Natural Medicine facilities. The state will begin issuing licenses for said facilities on January 1, 2025. Staff is seeking comments on the Draft in order to finalize and prepare the Draft for public hearings before the Planning & Zoning Commission and Town Council.
