**PRESENTED BY:** Doug Gossett, Civil Engineer II

---

### AGENDA ITEM DESCRIPTION:

Enclosed for your review and consideration is a request to award a design contract to J-U-B Engineer, Inc. to design a new 12-inch water main in Hwy 60 from Parish Avenue to the Central Wastewater Treatment Facility. The project will include replacement of an existing failing water main from Parish Avenue to the Great Western railroad tracks and an extension to serve the new Central Wastewater Treatment Facility.

The project will consist of the following tasks included as part of the proposal:

- Conceptual Design – This will include analysis of the Town's existing water main alignment, conceptual routing options for the new water main, and sizing of the new water main. This task will help assist the Town in selecting the best alignment for the water main within and adjacent to Highway 60.
- Design Phase – This will include the design, permitting, and easement coordination of the selected water main alignment.
- Bidding Phase Services – Consultant will assist in project bidding and selection of a contractor, including project delivery method.

- Construction Phase Engineering & Observation (not included in current scope) – Consultant will assist the Town during construction of the selected design. This will include on-site construction services and project coordination.

The Town received two quotes on the project as summarized below:

Ranking	Consultant	Bid Price
1	J-U-B Engineers Inc	\$286,600.00
2	IMEG Corp	\$302,000.00

Town staff reviewed the two proposals included the following criteria:

- Approach to Scope
- Company and Personnel Qualifications
- Value/Cost of Effort

After careful deliberation and review, staff recommends awarding the design services to J-U-B Engineers, Inc. based on their approach, experience, and value.

#### **LEGAL ADVICE:**

The Town Attorney has reviewed and accepted the language in the Town’s professional services agreement to be utilized for contract execution.

#### **FINANCIAL ADVICE:**

In Financial Year 2023, the Town budgeted \$2,000,000.00 for this project.

#### **RECOMMENDED ACTION:**

Staff recommends awarding the Highway 60 water main design to J-U-B Engineer Inc.

---

#### **SUGGESTED MOTIONS:**

**For Approval:** I move to approve awarding the design services to J-U-B Engineers, Inc. as presented for a total not to exceed \$286,600.00.

**For Denial:** I move that Council denies awarding this design contract and staff is to solicit additional bids for the SH60 Waterline Replacement and Extension.
