AGENDA ITEM DESCRIPTION:

On May 14, 2019, the Town of Johnstown and Larimer County entered into an Intergovernmental Agreement for a cost share to complete the paving of Larimer County Road 14 (LCR 14). The IGA also included terms that Johnstown was to annex the roadway after the project was completed. However, it was later discovered that Larimer County does not have prescriptive right-of-way, rather, an easement from the property owners for public use of the road. Therefore, simple annexation of the roadway from Larimer County is not possible.

To honor the intent of the agreement, this IGA provides that Johnstown will operate and maintain the roadway, until such time the property owners decide to annex into Johnstown. Operations and maintenance of the roadway will include all maintenance activities and the permitting of future work within the right-of-way.
