THIS WATER AND SEWER SERVICE AGREEMENT is made and entered into this _	day

Limited Liability Company ("Developer") and THE TOWN OF JOHNSTOWN, a Col	orado
municipal corporation, ("Town"), collectively sometimes referred to as the "Parties".	

WITNESSETH:

WHEREAS, the Developer owns an interest in land in a portion of the SE½ of the NW½ of Section 14, T05N, R68W, 6th PM, known as Lot 24, Block 10, 2534 Filing No. 6, and more specifically described in the attached Exhibit A ("Subject Property"); and

WHEREAS, the Subject Property has been annexed to the Town and was the subject of an Annexation Agreement dated November 3, 2006; and

WHEREAS, the Subject Property is being developed as three 12,000 ft² flex-use buildings and a total irrigated area of 14,040 ft² (0.322 acre), of which 0.215 acre will be sprayirrigated and 0.107 acre will be drip irrigated. Together the project is known as Limelight Properties ("Project"); and

WHEREAS, the Developer and the Town desire to set forth their agreement concerning water rights dedication, preliminary projections of water and sewer demand and a current commitment by the Town for water and sewer service for the Project.

NOW, THEREFORE, in consideration of the mutual promises hereinafter contained and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Parties hereto agree as follows:

1. Water and Sewer Demand Studies. In compliance with the Town Water Rights Dedication Ordinance ("Ordinance"), Developer has submitted to the Town a preliminary Water and Sewer Demand Analysis for the Project. Said analysis was received by the Town and is on file with the Town and, as modified by the Town's Water Engineer by memorandum dated September 1, 2021, is hereby accepted by the Town. The analysis provided by Developer addresses the projected water and sewer demands for the Project as follows:

Development Component	Demand (AF/YR)	Consumption (AF/YR)
In-Building	1.000	0.050
Permanent Landscape Irrigation (non-potable)	0.806	0.685
Total	1.806	0.735

2. Water Rights Dedication.

- a. **Potable Supply.** As a result of prior dedications of raw water credit, there is currently a surplus dedication credit with the Town sufficient to supply the potable water demands of the Project from the 2534 Master Association Water Bank. The Gerrard Family Partnership, LLLP and Thompson Ranch Development Company have agreed that this credit shall be applied to meet the potable water demands of the Project. Evidence of the agreement is attached hereto and incorporated herein by reference as Exhibit B.
- **b. Non-Potable Supply.** As a result of prior dedications of raw water credit, there is currently a surplus dedication credit with the Town sufficient to supply the non-potable water demands of the Project from the 2534 Master Association Water Bank. The Gerrard Family Partnership, LLLP and Thompson Ranch Development Company have agreed that this credit shall be applied to meet the non-potable water demands of the Project. Evidence of the agreement is attached hereto and incorporated herein by reference as Exhibit B.
- 3. Commitment to serve. Subject to Developer's performance of all the covenants contained herein and payment of all required fees, the Town commits to provide to the Project up to 1.0 acre-foot per year of potable water supply together with the corresponding sewer service, up to 0.806 acre-feet per year non-potable water supply for landscape irrigation.
- 4. Future review of water usage and dedication requirements. In accordance with the Ordinance, the Town reserves the right to review actual water usage within the Project at a point in time after water usage has been established, to confirm the adequacy of the water demand projections made by the Developer and to require additional water rights dedication and/or cash-in-lieu payments based on actual water usage.
- 5. Payment of Water Court Transfer fees. The Water Court transfer fee for both the potable water supply and non-potable water supply was previously paid to the Town as part of the 2534 Master Association Water Bank. However, in accordance with the Ordinance, additional fees may be required in connection with future development of any property to which all or any portion of the surplus dedication credit is subsequently assigned pursuant to a future mutual agreement of the parties in accordance with the Ordinance.
