ATTACHMENTS: 1. Ordinance 2021-212

PRESENTED BY: Matt LeCerf, Town Manager

AGENDA ITEM DESCRIPTION:

Recently Town Offices and Town Elected Officials have received concerns and complaints regarding the existence of roosters within the community. The current form of the Johnstown Municipal Code is vague regarding the application of roosters specifically and classifies them in a broad definition of fowl. In an effort to be clear in the prohibiting of roosters in the community code modifications are proposed to Article XII of Chapter 7. Specifically, a modification to the definitions in Section 7-121 as well as explicitly prohibiting roosters in Section 7-138 is being presented for consideration.

LEGAL ADVICE:

The ordinance was drafted by the Town Attorney in consultation with Staff.

FINANCIAL ADVICE:

Not Applicable.

RECOMMENDED ACTION: Approve Ordinance 2021-212 on first reading.
