### **AGENDA ITEM DESCRIPTION:**

Proposed for Council’s review and consideration is an ordinance that would authorize a ballot measure at the April 2, 2024, election. This ballot measure would propose to clarify and adjust two issues within the Johnstown Home Rule Charter (HRC).

First, currently in the Home Rule Charter, the Town is required to establish a new method for election of Councilmembers upon the Town’s population reaching 20,000. The ballot measure would clarify that the decennial census conducted every ten (10) years by the U.S. Census shall be the metric from which to determine the Town’s official population and subsequently determine if the election method for Councilmembers will change.

be elected from three electoral districts – 2 from each district. In either case of the election of Councilmembers for the Town of Johnstown, the Mayor will continue to be elected at-large.

The adjustments presented provide clarity to the HRC and will help eliminate any confusion on issues related to means and methods for conducting elections. If approved, the HRC would change:
