SUBJECT: Front Range Passenger Rail Commission

ATTACHMENTS: Letter of Information & Presentation

PRESENTED BY: Matt LeCerf, Town Manager

WORK SESSION OVERVIEW:

Recently, the Town received correspondence from the Front Range Passenger Rail Commission. They are working on a passenger rail project that would ultimately travel from Pueblo to Colorado Springs. In an effort to provide Council with information and educate them on these programs, we have asked for representatives to attend and provide an overview of their project to Council. Mr. Spencer G. C. Dodge and Mr. Randall Grauberger will be in attendance to present to the Council regarding the program and the implementation plan for this project. The associated documents and presentation they will make this evening are attached.
