**AGENDA DATE:** January 11, 2021

**SUBJECT:** Rocky Mountain Rail, Inc.

**ATTACHMENTS:** Letter of Information & Presentation

**PRESENTED BY:** Matt LeCerf, Town Manager

---

### WORK SESSION OVERVIEW:

Recently, the Town received correspondence from the Rocky Mountain Rail. The entity is working on a passenger rail project that would ultimately travel from Northglen to Ft. Collins (coming through Johnstown). In an effort to provide Council with information and educate them on the project, we have asked for Mr. Paul Williamson to attend and provide an overview regarding the implementation plan for this project. The associated documents Mr. Williamson has provided for this evening are attached. You may recall, Mr. Williamson participated in public comment about two Council meetings ago.
