AGENDA DATE:	September 9, 2020
SUBJECT:	Final Design of Highway 60 and I-25 Overpass Project Aesthetics
ACTION PROPOSED:	Consider Final Approval on Design of Project Aesthetics
ATTACHMENTS:	1. Various images depicting potential final aesthetic design
PRESENTED BY:	Matt LeCerf, Town Manager

AGENDA ITEM DESCRIPTION:

The Council has been guiding the process of a final aesthetic enhancement planned at the Highway 60 and I-25 Interchange. The process has been facilitated by Staff, with design creation led by BHA based on Council feedback. BHA has taken the guidance provided by Council and we may have a final design for Council's consideration.

Enclosed are several different images showing various vantage points of the aesthetic enhancements proposed for the Highway 60 and I-25 Interchange. Since this item was presented last in July 2020, the following changes have been made as directed by Council:

1. Font change to the signage affixed to the bridge deck across I-25. The change in the font has resulted in a smaller sign size (roughly 40' in length) which can be seen from approximately 900' away while traveling on I-25.
2. The addition of insets into the primary column of the approaches. There will be 4 in total and can accommodate a 4' x 6' flag or other display.
3. The addition of flags (with options to choose from).
