The Town of Johnstown Home Rule Charter, Section 12.5, and Colorado Revised Statutes 29-1-108(1) require that a public hearing be held at a regular meeting of the Town Council to give interested citizens an opportunity to file or register objections or suggestions thereto at any time prior to the adoption of the 2024 Budget.

The proposed 2024 budget was presented to the Town Council on September 25, 2023 and October 11, 2023. The first public hearing to receive comments was held on November 6, 2023. No changes have been made to the document since the first hearing.

While service delivery is either maintained at a consistent level or improved, we expect expenditures to increase when measured across all funds. Managing this increase is only possible when revenues and existing fund balance exceed the project expenditures. Should revenues not come in as expected, it is possible that these expenditures could change and be decreased. As always, we will monitor these on a continuous basis for any abnormalities.

The budget parallels the methods of accounting used for the Town's funds. Modified accrual basis is used for all governmental fund operations. Proprietary and fiduciary funds use full accrual basis. Under the modified accrual basis of accounting, revenues are recognized as soon as they are both measurable and available and expenditures are recorded when a liability is incurred except for debt service and compensated absences. Under the full accrual basis of accounting, revenues are recorded when earned and that expenditures are recorded when a liability is incurred without
