TOWN COUNCIL CONSENT AGENDA COMMUNICATIONS

AGENDA DATE: November 20, 2023

SUBJECT: Second Reading Ordinance 2023-260

ACTION PROPOSED: Consider Second Reading of Ordinance 2023-260 to Rezone the Property at 23019 Colorado Boulevard to R-1

ATTACHMENTS: 1. Ordinance 2023-260

PRESENTED BY: Matt LeCerf, Town Manager

AGENDA ITEM DESCRIPTION:

A public hearing and approval on first reading was completed on November 6, 2023.

Enclosed for review and consideration is Ordinance 2023-260. This ordinance will approve and authorize a rezone of the property to R-1 in conjunction with the annexation. The applicant and the property owner are both the Town of Johnstown who recently acquired the property in September 2023. The use of the property will predominantly be used for the expansion of the Highway 60 and Colorado Boulevard to its ultimate design when traffic and development conditions merit the ultimate build-out. The Town anticipates making interim improvements to the intersection in FY 2024 which are current in the design phase. There will be about 5,500 square feet remaining from this property after the full construction of this intersection. The purpose of this excess land has yet to be determined, but will likely not be used for development. Initial alternatives include possibly a site opportunity for the Town's Public Art Program. Until improvements are made, the Town will maintain this property.

Ordinance 2023-260 was drafted by the Town Attorney.
