PRESENTED BY: Matt LeCerf, Town Manager

AGENDA ITEM DESCRIPTION:

At the February 23, 2022 Town Council meeting, Council approved the final design cost associated with CP5 which is the Highway 60 and I-25 Aesthetic Improvements. An Intergovernmental Agreement as part of this work is necessary between the Town and CDOT to ensure funds are dedicated for the project by the the Town and to proceed with the construction. The agreement attached is a DRAFT version of the IGA which will ultimately be completed by CDOT for Town approval. CDOT is attempting to keep this project moving as quickly as possible in the interest of keeping this project and the corridor improvements on track. To facilitate this objective, Town Staff is proposing approval of the enclosed Draft IGA in principle subject to the Town Manager and Town Attorney approving the final form of the agreement and with the understanding that the agreement does not change substantially.

The agreed upon maximum price for the project is \$7,628,000.00.

LEGAL ADVICE:

The Town Attorney will work with the Town Manager to ensure the agreement meets the objectives of completing the aesthetic improvements.
