Process: The Planning & Development Department will review applications submitted for completeness, program eligibility, and conformance with Downtown Design Guidelines. Town Staff shall take into account the purpose and intent of the Façade Grant program in determining if a project may receive a grant (see Program Eligibility description). Staff will consult with the Downtown Advisory Committee and take their comments and concerns into consideration. Final administrative determinations of eligibility and award shall be at the sole discretion of the Town Manager or their appointee.

Grant Award: Fund awards will occur on a first-come-first-serve basis, at the sole discretion of the Town, based on the submitted documentation and any other factors the Town deems to be relevant. The Town may, but is not required to, provide a reason for any denial of an application or for the determination of the amount of the grant award.
