

Sec. 7.06.005 - Mobile food establishments

- (a) A mobile food establishment must comply with all the requirements of section 228.221 of the Texas Food Establishment Regulations.
- (b) In addition, a mobile food establishment shall comply with the following additional regulations:
 - (1) A mobile food establishment shall not operate from the same location for more than three consecutive days.
 - (2) A mobile food establishment may utilize a temporary electrical hookup but shall not have a permanent connection to electricity.
 - (3) If a mobile food establishment operates from a stationary location, restroom facilities must be available within 100 feet of the establishment.
 - (A) Restroom facilities shall have a properly connected flush toilet, hot and cold running water, soap and towels.
 - (B) If the restroom facilities are not owned by the operator of the mobile food establishment, the operator must have written permission from the owner of the restroom facilities to use the facilities.
 - (4) A mobile food establishment shall be serviced from its central preparation facility at least once per week or more often if necessary to empty waste tanks and refill with potable water. The operator of a mobile food establishment shall keep a log of servicing at the central preparation facility.
