TERMS:

Payment due upon delivery and acceptance of completed apparatus.

Cancellation Terms _____

Due to market conditions, a cancellation policy is in effect and terms are as follows:

In the event this proposal is accepted, and a purchase order issued then cancelled or terminated by the Customer before completion, Metro Fire will add a cancellation fee. The following charge schedule based on costs incurred will be applied.

- A) 10% of the purchase price after the order is placed.
- B) 20% of the purchase price after completion of the approval drawings and pre-construction.
- C) 30% of the purchase price upon any material requisition.
- D) 60% of the purchase price once the apparatus has begun manufacturing.

The cancellation fee will increase accordingly as costs are incurred as the order progresses through engineering and into manufacturing. Metro Fire endeavors to mitigate any such cost through the sales of such product to another purchaser; however, the customer shall remain liable for the difference between the purchase price and, if applicable, the sale price obtained by Metro Fire upon sale of the product to another purchaser, plus any cost incurred by Metro Fire to conduct such sale.

To ensure the above-stated terms and conditions are understood and adhered to Metro Fire Apparatus Incorporated, Inc. requires an authorized individual from the purchasing organization to sign, date this proposal and included it with the purchase order. Upon signing this proposal, the terms and conditions stated herein will be binding and accepted by the Customer.

Execution of this document can be used as official acceptance and purchase order from the customer.
