

**City Council Agenda  
October 20, 2022**

**Resolution**

**Action Item**

**Agenda Description:**

Discuss, consider, and possible action on increasing the speed limit on East Fourteenth Street, between State Highway 174/Broadway and South Main Street from 20 mph to 30 mph.

**Background Information:**

This has been a discussion topic in the past. Several years ago it was requested that the speed be decreased to 20 mph because of children that lived on the street. Those children are no longer there and residents have requested that the speed be increased back to the original speed limit of 30 mph.

**Financial Information:**

There are no known financial impacts.

**City Contact and Recommendations:**
