

JOSHUA POLICE DEPARTMENT

September 2025

In September, the Joshua Police Department is pleased to announce that we have two supervisors who have completed the training requirements for the Texas Police Chiefs Association Law Enforcement Command Officer Program. The program is extensive, involving multiple week-long and three-day long classes. These supervisors have been working for over a year in order to attain this goal. The supervisors are Sergeant Kristie Session and Sergeant Jason Wright. Congratulations to each of them. It is also worth mentioning that Captain Chris Lee is one class away from completing this curriculum as well. Training such as this will assure that professional law enforcement services provided by the Joshua Police Department will continue to be the norm well into the future.
