

**Type B edc and Parks  
Board Agenda  
October 13, 2025**

**(Minutes Resolution/Resolution/Ordinance)**

**(Action Item)**

**Agenda Description:**

Discuss, consider, and possible action On purchasing and installing a Musco Control-link

**Background Information:**

Currently the lighting For the baseball field is manually turn on/off. The Association has access to turn the lights on freely. The Musco Control-link would enable park staff to schedule the lights to come on automatically at appropriate times, reducing the amount of unnecessary usage and cost. The Control-link would also provide a light usage report. Staff confirmed Musco is sole source for this equipment.

**Financial Information:**

\$13,950.00

**City Contact and Recommendations:**

Steven Gill, Parks Manager

Staff recommends approval to purchase and install the musco control-link

**Attachments:**

**Quote for Musco control-link**
