

# PARKS & REC.

FEBRUARY 2025 REPORT

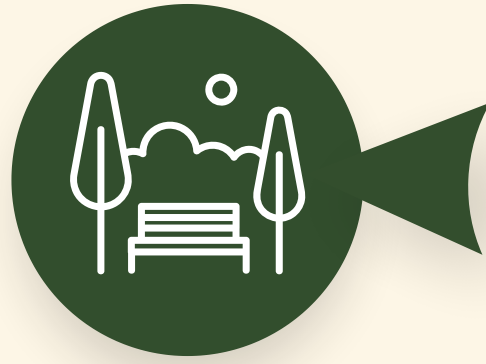

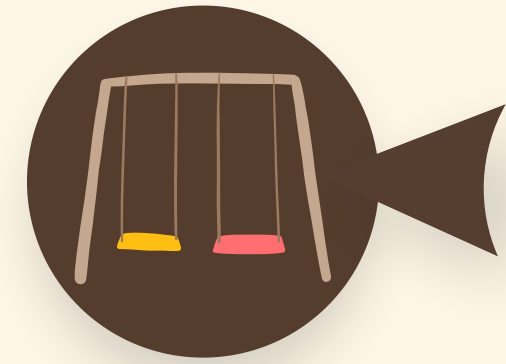

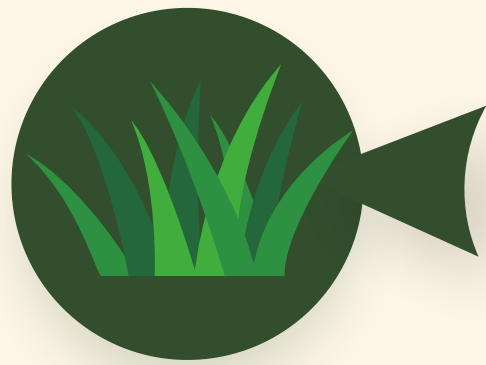

## OTHER NEWS

Ballfields have been aerated and treated with preemergent and fertilizers for spring season.

**The 2025 field use agreement has been signed and practices will begin mid February.**

### Mowing

Crews have maintained mowing at City Hall, Fire, Police, Animal Services, City Park, and the park ballfields.

### Park Updates

The playground was delivered on January 17, 2025, and installation began right away. The main structures are now in place, and the installers estimate that they will be ready in about two more weeks to install the border and surfacing. The project is on track to be finished as scheduled, weather permitting.

### Site Amenities

Parks crews have poured concrete pads for the new park rules signs and plan to install the signs within the next week.

**The park crew has pruned the trees along the back of the walking trail and removed several dead trees from the park to enhance safety and aesthetics.**

**25 tons of new infield material has been added to the ballfields to replenish the infields for safety and playability**
