Agenda Description:

Background Information:

This is a city-related House Bill 3492 adopted by the last session of the Texas Legislature. Prohibits a value-based calculation of fees for the application, review, engineering, inspection, acceptance, administrative, or other fee imposed by a municipality related to the construction.

House Bill 3492 requires fees to be determined by considering the actual cost to review and process engineering or construction plans and inspection of public infrastructure improvement.
