

(100) persons based on the projected subdivision population. Population shall be calculated at 2.75 persons per dwelling unit.

- D. **Fees in Lieu of Dedication.** At the City's discretion, payment of fees in lieu of park land dedication may be required. The amount of such payment shall be equal to the fair market value of the land that would be required to be dedicated for park land according to this Ordinance.
- E. **Fair Market Value Determined.** The fair market value of the land shall be calculated as determined on the most recent appraisal made by the Johnson County Central Appraisal District of all or part of the property being subdivided at the time of preliminary plat approval. If there is no preliminary plat required, then the fair market value of the land shall be calculated at the time of final plat approval. If the Developer/Owner objects to the fair market value determination, the Developer/Owner at his own expense, may obtain an appraisal by a State of Texas certified real estate appraiser, mutually agreed upon by the City and the developer/owner.
- F. **Use of Fees.** Parkland dedication fees paid in lieu of land dedication will be deposited in a fund referenced to specific future neighborhood or community parks or existing neighborhood or community parks as identified on the City's Comprehensive Plan or Parks Master Plan as amended. Funds deposited into a particular park fund may only be expended for land or improvements within that particular future or existing neighborhood or community park.
- G. **Accounting of Fees.** The City shall account for all fees in lieu of land and all development fees paid under this Section with reference to the individual plat(s) involved. Any fees paid for such purposes must be expended by the City within ten (10) years from the date received by the City for acquisition and/or development of a neighborhood or community park as required herein. Such funds shall be considered to be spent on a first-in, first-out basis. If not expended, the landowners of the property on the expiration of such period shall be entitled to a prorated refund of each sum, computed on a square footage of land area basis. The owners of such property must request such refund within one (1) year of entitlement, in writing, or such right shall be barred.
- H. **Minimum Acreage.** Unless otherwise determined by the City, the minimum park land dedication that will be accepted by the City shall be three (3) acres.
- I. **Usable Park Land.** Any land dedicated to the City for park purposes in accordance with this Ordinance shall be appropriate for neighborhood or community park purposes as determined by the Administrative Official.

SECTION 10.10.8 - TREE PRESERVATION

- A. **Purpose.** The purpose of this section is to provide for the preservation of mature trees and natural areas during construction, development, and redevelopment, and to control the removal of "protected trees" as defined by this Ordinance. It also establishes rules

for replacement of protected trees and replanting of trees which must be removed during construction. This section shall protect any property from indiscriminate clearing and shall help maintain and enhance a positive image of the City as well as attract new business enterprises. The terms and provisions of this section shall apply to the following real property:

1. All new subdivisions of land at the time of preliminary and/or final platting;
2. All undeveloped land at the time of replatting;
3. All un-platted and undeveloped tracts of land greater than three (3) acres;
4. All nonresidential tracts of land at the time of site plan approval.
