Ordinance **Action Item**

Agenda Description:

Discuss, consider, and possible action on an Ordinance amending Ordinance No. 929-2026, adopted on August 20, 2026, to correct a clerical error in the parcel identification numbers of two properties owned by Concrete Investments, LLC, previously approved for disannexation from the City of Joshua.

Background Information:

On August 20, 2026, the City Council adopted Ordinance No. 929-2026, providing for the disannexation of certain properties from the City of Joshua. The ordinance included two properties owned by Concrete Investments, LLC; however, both properties were inadvertently identified by the same parcel identification number. The proposed ordinance will correct this clerical error by identifying the second property with its proper parcel identification number, ensuring that both properties are accurately reflected in the disannexation ordinance.
