Agenda Description:

Discuss, consider, and possible action to approve funding for the Joshua United Event.

Background Information:

Staff is asking for the Parks Board's approval of funding for the upcoming Joshua United Community Event.

The previous event drew over 1,000 attendees and was a great success in bringing residents together for a day of fun, food, and fellowship.

To build on that success, this year's request includes funding for family-friendly attractions such as bounce houses, a petting zoo, and other engaging activities for all ages.

Approval of this funding will help ensure another safe, inclusive, and memorable event for the community.

Financial Information:

\$2500.00-\$3000.00
