

Planning & Zoning Agenda September 3, 2024

### **Minutes Resolution**

#### **Action Item**

### **Agenda Description:**

Discuss, consider, and possible action on approving a conditional use permit regarding approximately .62 acres of land in the E.H. Eddleman Subdivision, County of Johnson, Texas, located at 109 Oak Street to allow for the construction of an accessory dwelling.

## **Background Information:**

**HISTORY:** The property is platted.

**ZONING:** This property is zoned (R-1) Single Family Residential District.

**ANALYSIS:** The conditional use permit is to allow for the construction of an accessory dwelling.

Purpose of Conditional Use permit: The purpose of the Conditional Use Permit is to allow for review of uses which would not be appropriate generally without certain restrictions throughout a zoning district, but which if controlled as to number, area, location or relation to the neighborhood would promote the health, safety and welfare of the community. Such uses include colleges and universities, institutions, community facilities, zoos, cemeteries, country clubs, show grounds, drive-in theaters and other land uses as specifically provided for in this ordinance. To provide for the proper handling and location of such conditional uses, provision is made for amending this ordinance to grant a permit for a conditional use in a specific location. This procedure for approval of a Conditional Use permit includes public hearings before the Planning and Zoning Commission and the City Council. The amending ordinance may provide for certain restrictions and standards for operation. The indication that it is possible to grant a Conditional Use Permit as noted elsewhere in this ordinance does not constitute a grant of privilege for such use, nor is there any obligation to approve a Conditional Use Permit unless it is the finding of the Planning and Zoning Commission and City Council that such a conditional use is compatible with adjacent property use and consistent with the character of the neighborhood.

## 5.6Accessory Dwellings.

Accessory Dwellings may be maintained within single-family residential zoning districts including the A Agricultural-Rural district and single-family uses within the HP district under the following conditions:

#### <u>A.</u>

All accessory dwellings shall require an approved Conditional Use Permit

### **Financial Information:**

Only cost associated with the zoning change request is the publication expense and mailing of public hearing notices to property owners within 200 ft. as required by law. Public written notices sent out not less than 10 days before the P&Z public hearing and at least 15 days before the City Council public hearing.
