

Downtown Parking Update

CBJ Parks & Recreation Department

July 1, 2024

Downtown Parking Goals

- Reduce the number of vehicles that are parked all day (long-term) in hourly (short-term) spaces.
- Ensure that both the Marine Park Parking Garage and the Downtown Transportation Center Parking Garage are utilized at or near capacity year-round.
- Ensure that on-street parking spaces are available near all destinations at all times of the day for use by visitors who only need short-term parking.
