I want to be reappointed to YAB order to continue the work of improving and streamlining the application process for the YAB grants. During my initial term on YAB there were no written instructions for scoring the grant applications and not much information provided to applicants on what the YAB can fund and not fund. Per my suggestions the YAB has met with grant applicants in February to detail how grants are scored and what the YAB can fund and not fund. Detailed scoring information is now available to YAB members and YAB grant applicants. However, that work is still in progress and I would like one more term to finalize the improvements.
