Achieving Sustainability Allows Us To...

2024-2027 Strategic Goals

Deliver seamless continuity of care

Deliver quality, cost effective medical care, meeting patients where they are with the services they need.

Support the development and alignment of employees, providers, and partners

Cultivate a work environment that enables our employees, providers, and partners to thrive, aligning around our shared mission, vision, and values.

Improve infrastructure to meet community needs

Develop and maintain the physical and technological infrastructure needed to meet the growing health care services, access, and convenience needs of our patients.

Optimize and drive strategic clinical growth

Achieve long term sustainability through optimization of operations and selective investment in service line growth.

Promote a distinct identity and brand

Strengthen community engagement and increase awareness of the range and quality of services offered, elevating the reputation of the organization within Southeast Alaska.
