Please explain, with specificity, your reasons for applying to serve on this particular board.

I am active in leading Indigenous-led historic preservation projects in the Sitka Indian Village. I am working on a nomination with National Trust's "11 Most Endangered Historic Places" to which I am a finalist. I have worked with SHPO on grants, as well as working on nominating the Sitka Indian Village on the National Register. I have working knowledge of Section 106, and believe my project is primed to open broader discussions about Native Historic Preservation in the State of Alaska. Although my project focuses on Sitka and our clan houses, this problem is certainly prevalent in SE Alaska, and I imagine statewide. Decolonizing western philosophy around Historic preservation around Native culture is something I bring to the table and hope to broaden deeper conversations about with my work. On a city and state level, we also have the opportunity to be at the forefront of this kind of work.
