Hospital Board: I have an interest in the medical field and a demonstrated history of giving back to the Juneau community and would love to be an advocate for the hospital. As a business-owner, the most important and valuable thing I can do is find ways to improve our community. Due to our limited accessibility, we in Southeast work with a subset of issues and needs that can be challenging. I look forward to working with others to find solutions to those challenges. I want to do my part in promoting Bartlett as a state of art facility to encourage people to stay in Juneau for medical treatment as opposed to finding it elsewhere. This includes upgrading current technology and recruiting medical professionals in specialized fields while ensuring fiscal responsibility. I look forward to cultivating ideas and bringing solutions to the table. I've learned a lot in the past two years and I would like to continue to serve our community.
