4	ORDINANCE OF THE CITY AND BOROUGH OF JUNEAU, ALASKA
5	Serial No. 2022-63
6	An Ordinance Authorizing the Manager to Enter into a Revenue Sharing
7	Agreement with Goldbelt, Inc. to Fund Installation of the Gondola and Associated Infrastructure at the Eaglecrest Ski Area.
8	
9	WHEREAS, the City and Borough of Juneau ("CBJ") owns the Eaglecrest Ski Area and desires to develop and improve the public ski area by installing, deploying, and operating a
10	gondola system and other associated amenities, facilities, and visitor attractions; and
11	WHEREAS, the Assembly appropriated \$2,000,000.00 for the purpose of a used gondola
12	(February 28, 2022; Ordinance 2021-08(b)(am)(Z)); and
13	WHEREAS, shortly after the \$2,000,000.00 was appropriated, Goldbelt, Inc., a local Alaska
14	Native Corporation, reached out with a \$10,000,000.00 offer to fund installation of the gondola and associated infrastructure; and
15	
16	WHEREAS, the CBJ contemplated both market and bond bank financing and does not believe that these two approaches would be as favorable as working with Goldbelt Inc. because neither
17	private or bond bank financing would allow for joint marketing; moreover, private financing
18	would require loan collateralization and revenue bond financing rates would be unfavorably high because the revenue stream does not yet exist; and
19	
20	WHEREAS, in exchange for Goldbelt, Inc.'s capital contributions, the City and Borough of Juneau is willing to share summer revenue from the gondola project; and
21	WHEREAS, the City and Borough of Juneau is not pledging taxes, revenue from taxes, or the
22	full faith and credit of the municipality but is securing this revenue sharing agreement
23	principally with the summer revenue from the gondola project, (<i>see</i> CBJ Charter 10.1; A.S. 29.47.240 Revenue bonds); and
24	20.47.240 Mevenue Donus, and
25	WHEREAS, this revenue sharing agreement does not create a property interest conversion for the purposes of the federal Land and Water Conservation Fund because ownership of the gondola project, like the surrounding Eaglecrest Ski Area, remains wholly owned by the CBJ
