Purpose of Legislation (background/summary of intent):

This legislation is being brought forward to formalize a revenue sharing agreement between Eaglecrest/CBJ and Goldbelt Inc. In this Agreement Goldbelt is offering \$10 Million in development capital, to install the Gondola that the city purchased in April, in exchange for a sliding scale percentage of gross summer receipts. The agreement will remain in place for at least 25 years with the potential for extension until they have doubled their money. The goal of the Eaglecrest Gondola and Summer Adventure Park has been to generate revenue in the summer months from our cruise visitors to help subsidize affordable winter and summer recreation for Juneau and Southeast Residents. The expansion of Eaglecrest will also create new employment opportunities and the ability to offer more competitive wages.
